Enthusiastic Reception To National Commander

Weymouth was represented Wednesday evening at the reception to John R. Quinn, National Commander of the American Legion, at the Copley Plaza, by Commander Irving E. Johnson and Mrs. Johnson, Past Commander Bryan Leonard and Mrs. Leonard, Past Commander Raymond Stein and Mrs. Stein, and Carl F. Prescott of the Gazette-Transcript, who served overseas in the same division (the 91st) with John R. Quinn. The National Commander was enthusiastically welcomed by representatives of Boston, the Army and Navy, the State organization, and nearly 1000 of his comrades in the World War.

Among the speakers were State Commander Edwards, Commander Frank Foy of Quincy, Mayor Curley, Commander George W. Pratt of the Massachusetts G. A. R., and National Commander Quinn.

Commander Quinn said that he was proud of the growth of the Legion in numbers and in influence. "Our membership is larger today, for the period of the year, than ever before in its history," he declared.

"I am certain that if the papers would print the facts about adjusted compensation, 90 percent of the people would approve it." It is erroneous to believe that adjusted compensation means a cash bonus, he explained. The only money that can be secured is such money as will be loaned by local banks on the personal note of the veteran, with the service certificates as security. These certificates are not transferable and consequently cannot be bought up wholesale from needy persons, as were Liberty bonds.

A mass meeting is scheduled for next Sunday evening at the Mechanics Building to discuss pro and con the claim for adjusted compensation.

HANSCOM—RIES

Wednesday evening, Jan. 30, a very pretty wedding was solemnized at 88 Chard street, East Weymouth, the home of the bride, when Helen Leavitt Ries became the bride of Edwin Henry Hanscom of Reading. The home was artistically decorated with palms and roses, making a beautiful background for the occasion.

At 8 o'clock strains from Lohengrin's wedding march were heard and the bridal party appeared before about 75 friends and relatives that had gathered to witness the ceremony. The charming bride was escorted by her brother, Marshall A. Ries. She was beautifully gowned in white georgette, trimmed with Spanish lace wearing a veil held in place by orange blossoms and carrying a shower bouquet of bride's roses and lilies of the valley.

The maid of honor, Miss Velma Haskins of Wollaston, a cousin of the bride, was beautifully gowned in orchid georgette and carried a bouquet of sweet peas. The flower girls, Barbara Alden and Marjorie Beane, nieces of the bride, so sweetly and attractively dressed in pink crepe de chine, and carrying baskets of sweet peas, were living flowers in themselves and added a lasting beauty to the solemn occasion.

The best man was John C. Ries, a brother of the bride. Rev. Stanley Marple, pastor of the First church in Weymouth, Weymouth Heights, performed the ceremony, the double ring service being used. The wedding march was played by Miss Isabel McIsaac of East Weymouth. The groom's gift to the bride was a beautiful platinum bracelet.

Following the ceremony a reception was held, the bride and groom being assisted in receiving by their bridal party. The ushers were, Sydney C. Beane, Howard Haskins, both of Wollaston, and Marshall A. Ries.

A wedding luncheon was served, one of the interesting features being the beautiful wedding cake.

Mr. and Mrs. Hanscom were the recipients of many beautiful gifts including silver, cut glass and china.

Following the reception the newlyweds, mid showers of confetti, and good wishes left for a three months trip through the states of New York, Pennsylvania, taking in Washington, D. C., Maryland, Virginia and Carolina.

The groom is employed by the Samuel Cabot Co., Inc., Boston, and the bride being a native of Weymouth, is prominent in many social and religious circles of this town.

During the evening there were piano solos by T. Frank Burke and Mrs. William J. English; violin solos by Milo P. Burke; vocal numbers by Mrs. T. Frank Burke, Henry Kennedy and Miss Mary Cullinane. A buffet lunch and ices were served by a caterer.

New Candidates For Selectmen

Only a few days to the nomination of candidates for town offices. Rumor has it that Alfred W. Hastings will not be a candidate this year because of ill health. The only man to announce his candidacy in the South Weymouth ward is Frederick E. Of course Weymouth Landing wants representation on the Board of Selectmen, and it is said that H. Franklin Perry and John B. Whelan will fight it out again this year.

A THOUGHT

To him that esteemeth any thing to be unclean, to him it is unclean.—Rom. 14:14.

Senator Walsh On Sterling Towner Bill

(concluded)
This week the Gazette prints the conclusions reached by Senator Walsh in opposition to the Sterling-Towner bill (formerly known as Smith-Towner bill) which has been before Congress for the past four years. In the previous article, printed last week, the junior senator from Massachusetts said that no bill pertaining to the educational system of the country has created so much aggressive support and vehement opposition.

Everybody wants to see education expand and improve. However laudable the purposes it seeks to accomplish, the bill is most objectionable. It is my opinion that the measure will injure education and the Nation as a whole by making the education of the country a football of partisan politics. If the manner in which the Federal Government through its bureau at Washington has handled the problems of hospitalization and rehabilitation of the veterans of the late war is any criterion of the efficiency with which an educational department would function, then let us be prepared for an orgy of incompetency, neglect, delay, procrastination, and graft such as has made every friend of the veterans of the late war who has had an opportunity to know even a small part of the humiliating story blush with shame.

Another objection that impresses me most forcibly is that Federal control of education will practically destroy the principle of local control, State rights, and ultimately lead to general federalization of many other, if not all, local functions.

The cost of education is one of the principal expenditures of the state and local governments. When we undertake to federalize education we are dealing with the chief item in the financial budget of our several communities. When the control of finances is interfered with, no argument is left in favor of reserving control of all those other activities that have been heretofore recognized as special and sacred functions of the state governments.

Upon what principle of justice can the people of Massachusetts or any other state be asked to place an additional tax on themselves in order to improve the educational system of some other states? How do we know whether or not it is financial limitations or indifference that is responsible for their inferior school systems? Have not the people of Massachusetts and all other states a right to demand before financial aid is given that the valuations of property in such state and the money raised by taxation for school purposes are on a parity in all states? Are we not then entering into the field of interference with what has always been held a basic local right, the right of levying taxes and managing its finances according to the system devised by each state? If property is taxed much below its real value, if a smaller percentage of the state's income is expended according to the pro rata wealth of a state for educational purposes, how can it be claimed a state is poor and needs assistance from another state that is expending generously upon its educational system?

To do justice to the so-called prosperous state in determining what states are poor and in need of financial help to improve their educational systems, should we not consider the following questions: What is the pro rata debt of the several states? What is their pro rata wealth? What is their pro rata expenditure for education? What is the pro rata general and special property tax, and what is the method of valuing property for taxation purposes in the several states? May we not find after investigating the financial statistics of the several states that after all it is indifference rather than financial difficulties that is responsible for the inferior educational systems of some states? Is a premium to be placed upon indifference and neglect by compelling the states whose citizens have made the greatest financial sacrifices to promote education to bear an additional tax in the expectation of stimulating the indifferent?

The average per capita debt for the United States is about \$10; of Massachusetts \$35.83; of New York \$25.79; of Florida \$4 cents; of Texas \$1.30; of Arkansas \$1.20; of Kentucky \$2; of Georgia \$2.07; of Mississippi \$4.23.

Have we not proceeded far enough in our study of this bill and its possibilities to arrive at the conclusion that we have reached the beginning of the end of state control and local self-government when we federalize our local systems of education?

Another objection is that a bureaucratic management of the educational system of the United States, while possibly improving the educational system in some backward states, will most likely result in mediocrizing the educational system in the more progressive state. There would be a general leveling which would result in preventing for a long period of time a continuance of the steady advancement and progress, so apparent in the past. The removal of local interest, initiative, and responsibility would be detrimental to the Nation as a whole. The expenditures for school buildings, equipment, salaries, etc., instead of steadily advancing would remain stationary, at least until such time as the so-called backward states caught up. I am convinced that a uniform national civil service system for selecting teachers at a uniform salary throughout the country such as is applicable to postal clerks and letter carriers would not tend to improve and stimulate interest in or make more efficient and beneficial our educational system.

Instead of getting the schools into politics, the pawns of politicians and the prey of grafters, let us try to get all the schools everywhere out of politics. The schools have no place in politics. The great trouble with the United States Veterans Bureau, with its 40,000 employees, investigated twice by Congress within two years, is that it has been dominated and influenced by the political patronage spirit.

What fine pickings for political patronage purposes will the educational system of the country, centralized at Washington, become!

What is needed at Washington, and that is all that is needed, is an efficient, progressive department of investigation and research—there is such a department now—whose function will be to furnish information and stimulate the states to the highest execution in educating all the children of the land according to their best standards, leaving it to each state to provide funds and manage exclusively its own system.

If the present department of research needs increased appropriations in order to enlarge its influence in stimulating the states, then let pressure and influence be exerted on Congress to bring this about rather than revolutionize the policy of our Government by the States ceding control over their local schools to the National Government.

The tendency to increase and enlarge bureaucracy at Washington, with all its red tape, multiplications and duplications of offices, is regrettable. It is another effort to remove the Government from the people. It is a strike at local self-government. In a word, it is undemocratic. We have been drifting too rapidly toward bureaucracy; let us call a halt at nationalization of education.

Amendments Proposed To Town Meeting Act

At the last annual town meeting there was some remonstrance because the Moderator was given the sole authority to appoint all the members of the Annual Appropriation Committee (15 in number) thereby qualifying them as Town Meeting Members. It was felt in some cases this might be giving the Moderator and the Appropriation Committee too much authority at a "Limited Town Meeting."

To overcome this alleged defect in Weymouth's Limited Town Meeting Act (Chap. 61 of 1921), Frank N. Clapp has forwarded a petition to the General Court for certain amendments and a bill has been drafted covering the same, known as Senate bill No. 258.

Section 1 provides that only the chairman and secretary of the Appropriation Committee instead of all 15 members shall be Town Meeting Members. As amended Section 3 would read:

Section 3. Any town meeting held under the provisions of this act, except as otherwise provided herein, shall, at and after the first election held under this act, be limited to the voters elected under section two together with the following, designated as town meeting members at large; namely, any member of the general court of the commonwealth from the town, the moderator, the town clerk, the selectmen, the town treasurer, the town counsel, the town collector of taxes, the town accountant, the chairman of the board of assessors, the chairman of the school committee, the chairman of the trustees of Tufts library, the chairman of the board of health, the chairman of the park commission, the chairman of the war commissioners, the tree warden, the chairman of the planning board, the chairman of the overseers of the poor, chairman and secretary of the appropriation committee and chairman of any board of town officers hereafter constituted by law or by the acts of the town. The town clerk shall notify the town meeting members of the time and place at which town meetings are to be held, the notices to be sent by mail at least seven days before the meeting. The town meeting members, as aforesaid, shall be the judges of the election and qualification of their members. A majority of the town meeting members shall constitute a quorum for doing business; but a less number may organize temporarily and may adjourn from time to time. Notice of every adjourned town meeting shall be posted by the town clerk in ten or more public places in the town, and he shall notify by mail the members of the town meeting of the adjournment at least twenty-four hours before the time of the adjourned town meeting. The notices shall state briefly the business to be acted upon at the meeting, and shall include notice of any proposed reconsideration. All town meetings shall be public. The town meeting members as such shall receive no compensation. Subject to such conditions as may be determined from time to time by the members of the representative town meeting, any voter of the town who is not a town meeting member may speak, but he shall not vote. A town meeting member may resign by filing a written resignation with the town clerk, and his resignation shall take effect on the date of such filing. A town meeting member who removes from the town or from the precinct from which he was elected shall cease to be a town meeting member.

Section 2 of the new bill provides that Section 5 shall be amended to provide for the election of the Appropriation Committee by the Town Meeting Members, rather than appointment by the Moderator. The section as amended would read as follows, the addition being in bold type:

Section 5.—The articles in the warrant for every town meeting, so far as they relate to the election of town officers, and town meeting members, as hereinbefore provided, referenda, and all matters to be acted upon and determined by ballot, shall be so acted upon and determined by the voters of the town in their respective precincts. All other articles in the warrant for any town meeting shall be acted upon and determined exclusively by town meeting members at a meeting to be held at such time and place as shall be set forth by the selectmen in the warrant for the meeting, subject to the referendum provided for by section eight. At each annual meeting of town meeting members a committee on appropriations, consisting of fifteen members, shall be nominated and elected exclusively by town meeting members and shall serve until their successors are nominated and elected. At the next annual meeting after the passage of this amendment there shall be nominated and elected five to serve three years; five to serve two years and five to serve one year. Thereafter at each annual meeting five shall be nominated and elected to serve three years. In case of any vacancies occurring during the year on the appropriation committee, the same shall be filled at the next meeting of the town meeting members, whether special or annual, and by nomination and election by the vote of town meeting members exclusively. Neither the town clerk nor town treasurer, nor any member of the boards of selectmen, overseers of the poor, assessors, school committee, trustees of Tufts library, board of health, park commission, water commission, town surveyor, tree warden, superintendent of streets, nor superintendent of schools and engineers of the fire department shall be eligible to serve on said committee.

Another section is amended to define the duties of the Moderator, to read as follows:

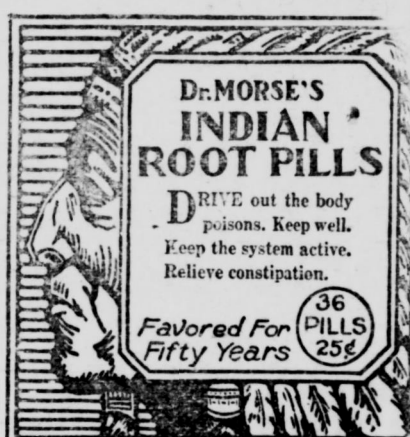

Section 6.—A moderator shall be elected by ballot at the first election for the choice of town meeting members and at each annual town election thereafter by the voters. His duties shall be solely to preside as moderator over all sessions of the town meeting

members and to serve as moderator of all town meetings, except as otherwise provided by law, until his successor is elected and qualified. If a moderator is absent, a moderator pro tempore may be elected by the town meeting members.

It is also proposed to amend Section 8 by striking out the words "Vote of a majority" and insert what is printed below in bold type:

Section 8.—No measure passed at any representative town meeting, except a vote to adjourn or measure appropriating or borrowing money for emergency purposes which shall contain a preamble specifying the facts constituting the emergency and requiring for its passage a separate vote of two thirds of the town meeting members present and voting thereon, shall become operative until after the expiration of five days, exclusive of Sundays and holidays, from the dissolution of the meeting. If, within said five days a petition, signed by not less than one hundred voters of the town, containing their names and addresses as appearing on the voting list is filed with the selectmen asking that the question or questions involved in such measure be submitted to the voters of the town at large, then the selectmen, after the expiration of five days, shall forthwith call a special meeting for the sole purpose of presenting to the voters at large the question or questions so involved. The polls shall be opened at two o'clock in the afternoon and shall be closed not earlier than eight o'clock in the evening and all votes upon any questions submitted shall be taken by ballot, and a check list shall be used in the several precincts in the same manner as in the election of town officers. The questions submitted at the said town meeting shall be determined by the voters at large voting thereon, being governed by the same law as to whether a majority or larger vote is required, as governed the vote on the question when determined by the town meeting members. The voters shall vote upon the subject matter, as stated in the questions, not on any ratification, rejection or criticism as to any action or vote taken on the same by town meeting members. This right of referendum attaches only to such matters as have been passed by vote of the town meeting members, not to matters only submitted or if submitted, not passed. The questions so submitted shall be stated upon the ballot in the same language and form in which they were stated when presented to said representative town meeting by the moderator, and as they appear upon the records of said representative town meeting. If such petition be not filed within the period of five days the vote in the representative town meeting shall become operative and effective upon the expiration of said period.

Section 5 of the new Act provides that it shall be submitted to the voters of Weymouth at the next annual Town Meeting, the question of acceptance being put on the ballot.

THE WEYMOUTH LIGHT & POWER COMPANY

ANNOUNCES

A REDUCTION IN RATE

For Electric Service For House Lighting

At the time of the announcement of our previous reduction in lighting rate we hoped to be able to announce a further reduction prior to this date. An increase in our taxes of all kinds to over \$48,000, an increase of over \$22,000 over the previous year, together with unforeseen extraordinary expenses at our station calling for over \$6,000, and various other unavoidable increases in operating expenses made a rate reduction impossible up to the present time, if the company were to continue on a self supporting basis.

The steady increase in the amount of business we have had, together with the growth which we are working to secure by adding new customers to our lines, and increasing the number of uses of electricity, make us feel warranted in announcing **A REDUCTION of 1/2 CENT PER KWH.** on all electricity used for lighting after April, 1924.

It has been our policy in the past to make these reductions as conditions warrant and we believe our customers realize that in order to give service, make necessary extensions and improvements the company must be kept on a self-supporting basis. A bankrupt public utility is not an asset to any community. This reduction of 1/2 cent per Kwh. will save our house lighting customers approximately \$4,000 per year, and the company can only overcome this loss by doing more business.

We trust that this reduction will still further stimulate the more general use of electricity in the home, wherever it will save time, drudgery and inconvenience.

In this connection we wish to call your attention to the many labor saving appliances which make house-keeping so much easier and more pleasant. A few of these appliances are illustrated herewith, and we would appreciate the opportunity to demonstrate these or any other electrical appliances in your home. We can arrange for a free trial and easy monthly payments if you desire. Let us serve you.

NATURE TELLS YOU

As many a Weymouth reader knows Too Well.

When the kidneys are weak, Nature tells you about it.

The urine is nature's index. Infrequent or too frequent passage. Other disorders suggest kidney ills.

Doan's Pills are for disordered kidneys.

Weymouth people testify to their worth. Ask your neighbor.

James E. Fitzgerald, 137 Summit street, Weymouth, says: "I was in a bad way with my kidneys, caused by heavy lifting. My back was constantly lame and sore and I couldn't stoop or do any lifting. The pains seemed worse at night and in the morning when I got up, it was mighty hard for me to stoop to lace my shoes. My kidneys felt dull and heavy and I had to pass the secretions too often. I heard of Doan's Pills from a friend and got a couple of boxes from Kemp's Drug Store. After using a few more boxes I was completely cured."

WEYMOUTH WINS AT RANDOLPH

In a sensational game at Randolph Wednesday night the Weymouth quintet emerged the victors 27-17.

The game terminated in a wrangle over the legality of a basket thrown after the whistle blew.

Joe Sheehan led the field with five baskets from the floor, Joe ran rings around "Fiddle" Morley, one of Randolph's importations. All the Weymouth players did well.

Through some mistake George Hoyt neglected to send a league referee; Lou Courtney of Randolph officiated capably. Some of the fans remarked that more local players and officials would do the game no harm in this section. The summary:

PURPLE COLLEGIANS WIN

The Worcester outfit barely nosed out the local five in a hotly contested game. The inability of the Weymouth quintet to garner points from the four line allowed the visitors to lead 11-4 at the end of the half.

The second period found McGrory's team on their toes; good shooting by Fitts and Gannon enabled them to score one more point than their opponents in this half.

"Whitney" Bernot was high scorer with five baskets. Fitts played a dandy game and sunk four double counters. John Gannon gathered 7 points and played a fine defensive game. Curtin had Sam Harris, former Weymouth star, to cover and he filled the job in fine style. Sam only caged the ball once. Golembeski hung on to Joe Sheehan so well that Joe was able to score but once. SPORT NOTES

—Bill Barrett's Weymouth friends are pleased to hear that he will be given a tryout this season with the Chicago White Sox. Bill played great ball with Reading last year. It is understood that he is slated to be regular shortstop for the Chicago team.

—The success of the South Shore league during the first half is no doubt responsible for the epidemic of new basketball leagues. The latest one is the Greater Boston league composed of eight of the fastest semi-pro teams about the Hub.

—Sandy Roulston, president of the Old Colony Gentlemen's Driving club, intends to breed his good matinee mare, Reveria, by Squanto, to Atlantic Express 2.07 1/2. Chester Lasell's recent purchase.

—Whitman and Bunker Hill K. of C. have dropped out of the league. Fred Crowley claims that conditions

in Whitman are such that it is not possible to make both ends meet.

—The postponed meeting of the officers of the Football Association was held last night at South Weymouth.

—Maurice Fitzgerald is a busy man this winter, in addition to his milk business he finds time to jog and care for three matinee horses. Fitz has his old favorite Seumancey Boy back again.

—The Braintree Welfare five were defeated in Lancers hall, West End, Boston, Saturday night by the West End K. of C. 33-21.

—Bill Melville, well known trotting enthusiast, expects to take in the ice racing at Lawrence tomorrow.

—At Bates Opera House, Weymouth A. A. plays the Rockland South Shore League tonight and the New York Nationals next Monday evening.

—Manager McGrory has booked the famous New York Nationals for Monday, Feb. 4. In their lineup they will have two of the most prominent players in New York today. Jimmy Cooney, captain and back and "Red" Conaty forward. Ed are members of the Visitation Five of Brooklyn, the team that won the championship of the first half of the Metropolitan league in New York, considered by many to be the fastest professional league in the country. Cooney and Conaty are the smallest and youngest pair playing big league basketball. Both of them recently passed their 21st birthdays and neither is larger than Curtin. Stuckberry, Grobe and Seaman are the other members of this star aggregation.

—The Plymouth Theatre "Whispering Wires", the melodramatic thrill at the Plymouth theatre, Boston, is nearing the end of its run, for next week will be the last, the engagement ending on Saturday night, Feb. 9. If you haven't seen Kate McLaurin's melodrama, you have missed one of the best detective plays of recent years. From the time Montgomery Stockbridge, crabbled old millionaire, appears on the stage, you know something dreadful is going to happen to him.

The acting in this melodrama is particularly good, and has been commented on many times by the Boston dramatic critics. Ben Johnson, Louise Swanson, Jane Houston, Reynolds Dennison and Malcolm Duncan play the five chief roles, and they were all in the original cast when this play was in New York for a year's run.

The Thursday matinees at the Plymouth theatre, Boston, are popular priced ones.

Concert and Ball on Anniversary of Robert Burns

One of the most unique and one of the finest affairs held in Weymouth recently was the concert and ball held in Bates Opera House Monday evening when Miss Agnes Hyde presented the anniversary of Robert Burns, the Scottish poet.

The picture of Robert Burns at the front of the hall and the ushers ornamented with red plaid scarfs, gave a touch of Scottish atmosphere so necessary to make the evening complete.

As the curtain arose the chorus of twenty made an attractive scene and the selections in the opening chorus, "There was a lad was born in Kyle," by Burns and "Comin' Thro' the Rye" by Burns, were well rendered and much appreciated.

Charles Beltring was conductor of the chorus.

The first artist on the program was George Sykes, tenor soloist from Boston. His first selection "The Star of Robie Burns" proved to the audience he is a real artist. He was encored most heartily and he sang "Your eyes have told me so", this being much appreciated. As Mr. Sykes appeared on the program a second time, he was received with great applause and again the audience enjoyed his wonderful voice when he rendered "Mary" and "Machula".

The second artist of the evening was Mrs. Emma Schuselt Moore, soprano soloist from Quincy. Mrs. Moore was pleasing and her two selections "My Love is like a Red, Red, Rose" (Burns) and "An Old Fashioned House" were both encored.

The next artist to appear was the one whom Weymouth audiences always look forward to hearing, Miss Agnes Hyde, reader. Miss Hyde appeared in her usual pleasing manner and was received with great applause. Her reading "Tam O'Shanter" rendered in such an excellent manner, was enjoyed by all and her encore "Exhibition days in School" so humorous and clever, was most entertaining.

The second time Miss Hyde appeared, she rendered an original

selection "Sandy MacDonald's speech" This reading was interesting; the story being in Scottish dialect and filled with wit and humor, held the attention of everyone and Miss Hyde in order to satisfy the audience was obliged to give an encore.

Another artist was Christian Crawford, contralto soloist from New York. Her selections "Bonnie Wee Thing" and "My Ain Hoose" charmed the audience and her encore "Annie Laurie" certainly was a winner.

Another artist that made a big hit was Delmar McConnell, solo dancer, from Dorchester. In his Scottish costume he gave two dances, the "Highland Fling" and the "Sword dance". Both were rendered in a most creditable manner and the dancer in his clever ways and taking mannerisms surely made a hit.

The closing number was "Auld Lang Syne" by the chorus and audience, the following being in the chorus:

Soprano—Alice Northup, Edith Forsyth, Annie Green, Marguerite Wolfe, Alice Sewall, Daisy Oakley, Agnes Crawford, Elizabeth Hyde.

Altos—Eva Ellis, Lillian Knudsen, Mrs. Taylor.

Tenors—Harold Knudsen, F. A. Sullivan, Allan Perrow, Vincent Perrow, Charles Wedelin.

Bass—Charles Beltring, Robert Lang, F. C. McDowell, Donald McDowell.

Mrs. C. A. Sullivan from South Braintree was the pianist for the concert numbers while Miss Nellie Chase was pianist for the chorus.

Following the concert the Imperial Orchestra from Wollaston furnished music for the ball. The grand march under the direction of Mr. Louis Ellis of South Weymouth was headed by the members of the chorus, a large number of couples following. Dancing was enjoyed until midnight.

A large number attended the occasion and the evening was a great success, both financially and socially. The proceeds will be given over to the Trinity church building fund.

MEMBERSHIP DRIVE

Last Tuesday night there was a very enthusiastic meeting of the Legion membership committee and the Citizens Committee which has been organized to assist the Post in putting over the coming drive.

This Citizens Committee has laid out a plan of campaign which is bound to bring in the members. It is the Post's hope that by March first every eligible ex-service man in town will have signed up and become a member. Above we have given some of the reasons for joining the Legion. There are lots more just as good, in fact every fellow who served his country can give us reasons for joining whereas there are mighty few who can tell us an objection to being a Legionnaire.

Never before in the history of the Legion in this town has such an enthusiastic band of prominent citizens taken such an active interest. They are going to make it their duty to get in touch with every non-Legion man and ask him to join the Post.

The community as a whole is back of the Post, therefore it behooves every man to join up and be a member

REASONS WHY

It is Weymouth Post's contention that every ex-service man in town, no matter what other organizations he may belong to, should first of all become a Legionnaire.

WHY?

Because the American Legion is founded on the right principles, some of which are: To uphold and defend the Constitution of the United States of America; to maintain law and order; to make right the master of might.

WHY?

Because the American Legion fosters that feeling of comradeship which existed during the trying years of the World War, and without which victory would not have been our lot.

WHY?

Because the American Legion is the only organization of ex-service men and women which takes in all who served their country in the war with Germany. The only credential necessary is your honorable discharge.

WHY?

Because the American Legion places before everything else the proper treatment of our disabled and more unfortunate comrades. Already the Legion has an enviable record of performances behind it, and with more members this record will be enlarged more and more each year.

WHY?

All of us who took part in the struggle with Germany have some associations and experiences which should not be forgotten. No other

organization has within its scope the power to keep these memories alive. Possibly some of us do not hold these things very highly now, but in the years to come they will become of increased value to us, and it is in the Legion halls that these associations can be best kept before us.

WHY?

When the call went forth in 1917 for men to join the army and navy, millions of the young men of the country answered. When the war ended they laid aside their uniforms, no longer soldiers or sailors but plain citizens. But, with the laying aside of the uniforms, their duties to their country did not end, rather they increased, and it is the duty of each and every one of us to keep the old U. S. on the top of the heap and to be 100% American. Join the Legion and be 100% American. As a member of the Legion you can do much, but alone and among the millions, your work will be lost.

OLD COLONY LEAGUE

The last meeting of the annual Old Colony League Institute was held in the vestry of the First M. E. church, East Weymouth, Monday evening, Jan. 28, with a record attendance.

A delicious roast beef supper was served by the entertaining chapter assisted by the ladies of the church. Every league present was ready with a yell and there was nothing slow about the way in which they were given.

After the banquet, Rev. Lisle Swenson of West Abington led the devotional part of the Institute and continued his talk on league methods.

During this time a cabinet meeting was being held in which plans were made for the annual banquet which comes February 22.

T. J. Griffin then took charge of the Institute showing just how a league business meeting should be conducted, during which time talks were given on first department work by Olive D. Sylvester of East Weymouth; second department, Frances Hardy of Hingham; third department, Beulah Smith of Hanover and fourth department, Pedro Christensen of East Braintree.

Sumner Chandler of East Weymouth spoke on the Summer Institute to be held at East Greenwich this coming summer.

A financial report of the Institute was made by the registrar, Harold Kidder of Hanover.

Roland Smith, dean of the Institute spoke in a general way of various phases of circuit work.

After a report on the financial side of "Olcology" by Olive Sylvester, the evening was given over to plays by the different leagues.

Hingham presented a musical program with readings: South Braintree a one-act play "A quiet evening at home"; East Braintree a musical program; Porter a comedy entitled, "A dealer in notions"; West Abington violin selections and East Weymouth a mock trial.

Everyone went away feeling that the Institute of 1924 had indeed been worth while.

"LEST WE FORGET"

The great booze picture, "Lest We Forget", which Mr. Justice will show in Union church next Sunday afternoon and evening (at 4 and 7 o'clock) depicting as it does, numerous drinking scenes, two murders, a train wreck, brutality, etc., will serve as the supreme test as to whether motion pictures as used by a minister to preach the gospel are different from the theatre. Mr. Justice has thrown down the gauntlet to his critics.

The picture portrays how heredity and environment play a great part in moulding the life of Jimmy McNulty. His early childhood is spent in the shadows of adversity and poverty, for at the age of nine, Jimmy becomes the provider of the family. With both parents addicted to drink, his little brothers and sisters look to him with eager, hungry eyes for their daily bread and milk; and these necessities of life Jimmy provides thru the sale of his newspapers.

John McNulty, their father, is a worthless, shiftless, good-for-nothing who is found drunk on the street and locked up on the night of Mrs. McNulty's death. How the sins of the father are visited upon the children, unto the third and fourth generation, is graphically portrayed in this gripping drama of real life.

On account of the nature of the picture, little children will not be admitted. Those over 15, however, because of the great message of the picture, will be admitted if accompanied by their parents. A silver offering will be taken.

HIGH SCHOOL BASKETBALL

The Weymouth High quintet added two more victims to its rapidly growing list of victories by swamping Belmont and Arlington in the past week. Last Friday they captured the Belmont five in the Clapp Memorial gym, handing them a good trimming 33-11. Fine passwork by the Weymouth boys, together with the fine shooting of Dorey and Capt. Dwyer paved the way to victory. Richardson and Mason played well for Belmont. Referee, Frolio. Timekeeper, Daly. Scorer, Bates. The summary:

On Tuesday the Abington quintet were handed a good defeat before a large crowd of Weymouth High rooters at the Clapp Memorial gym. In the first few minutes things looked bad for Weymouth; Owens and Darche dropped five neat baskets in for Abington in the first two minutes of play. By excellent passwork our boys overcame the lead and were ahead 12-10 at the first period. Abington did not seriously threaten again, although Darche, Owens and Pearson made some neat shots. The whole Weymouth team played fine ball. Dorey and Craig scored the most points. Frolio, referee. Lyons, timekeeper.

MAJESTIC THEATRE, BOSTON
The F. Ray Comstock and Morris Gest production of Guy Bolton's greatest comedy, "Polly Preferred" enters its second week at the Walnut Street theatre Monday night.

This delightful comedy of movie folk is serving as the starring vehicle for the talented Genevieve Tobin. Supporting this newly made star will be found the same company that acted this play during two seasons run at the Little Theatre, New York, which includes William Harrigan, Edward Van Sloan, William David, Mary Phillips, Booth Howard, Louis Haines, Harold Walbridge, Myra Dean, Olga Brent, William Betts, David Burns, George Deaner and many others.

"Polly Preferred" is a comedy romance of Broadway and Hollywood. It has its beginning in a Broadway Automat where a young salesman, Bob Cooley meets Polly Brown of the chorus. Both have lost their jobs but Bob has an idea that he wants to try out and persuades Polly to join him.

The constant introduction of unusual Broadway and Hollywood characters adds zest to the play and the audiences never for a moment lose interest in following the series of happenings that fall to Polly and her enthusiastic promoter.

Movies

GEM THEATRE

For twenty years "The Virginian" has been called "the great American Romance". Now you will say it's the great romance of the screen. Don't miss this American classic, teeming with laughter and tears, tingling with thrills made on a mighty scale in the heart of the West. Shown at the Gem Saturday.

"Boys will be boys". And they are the same the world over. They furnish more fun to audiences than a dozen circuses, in the Paramount picture "Stephen Steps Out" starring Douglas Fairbanks Jr., which will be the feature at the Gem Sunday. The story deals with a regular American boy. It's a tale of prep school life, carrying the principals to Constantinople and return as the plot unfolds. Colleen Moore in "Slippy McGee" the same day. He hated to steal, but he stole for love! The police thought Slippy was dead—but he lived. Don't miss this one.

BATES OPERA HOUSE

A most enjoyable evening, the best dance music ever in town and similar expressions were heard the day following the opening of the movie ball at the Bates Opera House last Saturday night.

George Abelles is one of the best known musicians in these parts and his ability to gather around himself high class men, guarantees to the dance loving public music of extraordinary kind.

Altho last Saturday night was one of the severest of the season, it required more than the elements to keep the dancers away from Bates and Abelles orchestra.

Mr. Abelles will have additions to his team tomorrow (Saturday) night and a good time is promised all who attend.

In conjunction to the dancing, there will be two feature pictures shown, starting at 8 o'clock.

The matinee starts at 2 o'clock and the special price of ten cents admits any child. The management will distribute presents to the little folks.

QUINCY THEATRE

Seven-year-old Mickey Bennett, though kept busy most of the day working in "Big Brother", an Allan Dwan novelty to be shown at the Quincy theatre on Thursday next, did not fall behind in his studies. His mother, Mrs. Charles Bennett, saw to that. Mickey arrived early at the studio, dressed and made up for his part, going down to the "Big Brother" set where his mother was ready for him with his morning lesson. His course of study was the official one supplied by the Professional Children's school for those youngsters, whose work prevents their attending the regular classes. Mickey is remarkably bright, ranking high in his class, and with very little help from his mother he can read his own part in the script. The little fellow broke into motion pictures two years ago through the interest of Morris Gest, in whose production, "Chu Chin Chow", Mickey made his stage debut. Mr. Gest brought him to the attention of Jesse L. Lasky, and Mickey was given his first picture work in "Cappy Ricks".

MARKET REPORT

As a guide to the busy housekeeper the Gazette-Transcript will publish the prices in the Boston market as of Tuesday of the week the Gazette-Transcript is printed:

What to buy at the vegetable counter: New cabbage, bunched carrots and beets, onions, squash, turnips, parsnips, peppers, leeks, spinach, cauliflower, and Boston celery are high. At the fruit counter: apples and citrus fruit, Florida strawberries are plentiful for this time of the year and are cheaper than last week, retailing mostly 55¢ quart basket. At the meat counter: for the pot roast, beef shoulder 18¢ lb. is a very good buy as there is no waste. Pork rib roast is lower at 18¢ lb.

At the fish counter: cold weather has brought higher fish prices. Haddock and market cod retailing 12¢ lb. Haddock fillets 25¢ lb. Haddock spawn 25¢ lb.

New on the market: Texas Bermuda onions 15¢ lb. Native hot house asparagus 85¢ bunch. Bunched carrots and beets 10-15¢. Hot house rhubarb 35¢ lb. New cabbage 8-10¢ lb. New potatoes 18-20¢ lb. Dandelions are scarce bringing 35¢ lb.

Market news: A critical consuming public while bringing beneficial results in the more careful observance of standards of produce by growers have not as yet succeeded in eliminating the enormous wastage of fruits and vegetables as observed at city terminals and markets. Demand for these products out of season requires that produce be moved long distances at greater expense. Artificial means to prevent decay and freezing are costly measures which must eventually be paid for by the consumer. The constant danger of perishable products en route is a factor which serves to explain the large percentage of wastage in the distribution of fruits and vegetables.

Cabbage, French Style

Try this recipe for dressing up the good old standby.
Chop cold boiled white cabbage and let it drain until perfectly dry; stir in some melted butter to taste; add pepper, salt and flour, four tablespoons cream. After it is heated through add two well beaten eggs; then turn the mixture into a buttered frying pan, stirring until it is very hot and becomes a delicate brown on the other side. Place a hot dish over the pan, which must be reversed when turned out to be served.

—It may be to your personal advantage to forward to the Gazette & Transcript promptly your name and birthday even though the date is April 1st.

WEYMOUTH, FEBRUARY 1, 1924

NEWSPAPER DELIVERY

Beginning today newspapers will be accorded the same treatment in the mails as letters and other first class matter by an order made public by Postmaster General New.

"The order," said Mr. New, "means much to the American public. It is for the benefit of those who desire to have their newspapers placed before them at as early a moment as possible. This should keep both the city and rural population in closer and quicker touch with their several fields of activities."

Under the new system, newspapers will be made up in separate sacks plainly labeled with the word "newspapers". If there are only a few copies of newspapers at the point of dispatch, they will be placed in pouches with first class mail or in separate sacks even though the sacks are only partly filled. The order stipulates that newspapers shall not be mixed with parcels post at any point in their dispatch from the publisher's office until their delivery to the addressees.

Postmasters are required by the order to notify publishers in each instance when deliveries do not catch the dispatch which they are advertised to catch; also to notify publishers when they are sending their publications to wrong addresses, and to address of deceased persons.

The order stipulates that all sacks of newspapers when received in post-offices must be segregated promptly and the contents distributed and dispatched to the proper stations for delivery by carriers on the earliest possible trips.

The new system is important. In the past the Gazette-Transcript has been mailed regularly EVERY Friday afternoon, but oftentimes has not reached nearby subscribers until Monday or Tuesday or later. Every subscriber in New England ought to receive the paper before Sunday.

SOUTH SHORE NEWS BUDGET

—The business section of South Braintree Sq. got a scare Saturday when fire was discovered at 10.30 P. M. in the White block, a 3-story wooden building. It started in the dry goods store of C. Charles on the street floor, worked through to the roof, which is of slate. At first it looked as though the building was doomed, as zero temperature prevailed, but the firemen did a good job. H. W. Bailey, the owner of the block, was the largest loser; his printing plant on the second floor was ruined; loss \$25,000. On the street floor besides the dry goods store was Reardon's Market; A. W. Tooley, real estate; a Chinese laundry and a shoe repair shop. The third floor was unoccupied.

—Francis Randall, 80, of Duxbury, a well known horseman, died Saturday. He was a Grand Army veteran.

—Henry Pickett, while at his work in Bryantville died on Saturday. He leaves a wife and son.

—Mabel S. Corey has been installed as worthy matron of Hatherly chapter, O. E. S., of Rockland, with Ralph B. Starbuck as worthy patron.

—Chauncey F. C. Shepherd, the last of the old Quaker colony at Pembroke, died on last Saturday, age 73.

—Members of St. Anthony's parish, Cohasset, tendered a reception on Wednesday evening to the rector, the Rev. Joseph P. Lawless, recently appointed to fill the vacancy caused by the death of the Rev. Daniel J. Carney. He was presented with an elaborate radio set. The Rev. J. P. Sherry, curate of the parish, was master of ceremony, and there was an address by John J. Mitchell of Marlboro.

—Harry J. Matthews, who was injured at the arsenal at Hingham, is at the Marine Hospital at Chelsea for treatment.

—The Womans Club of Scituate has voted to present each school in town a book each year.

—Charles W. Pearce has declined to be a candidate for reelection as selectman of Scituate, after a service of seven years. He was born in Weymouth.

OLD COLONY GAS BONDS

The Massachusetts Department of Public Utilities has approved issue by Old Colony Gas Co. of \$257,000 5 per cent mortgage bonds at not less than par for retiring floating indebtedness. Bonds are to be part of issue of \$1,000,000, due 1931, of which there are now outstanding \$338,000. The company asked approval of issue at not less than 95, but the department approved them at not less than par.

—During the year 1921 the net increase in the number of telephones in operation in the United States was over 545,000, while the whole of Europe, which contains over four times as many people as this country, gained a little over 342,000 telephones.

To the Honorable the Judge of the Probate Court in and for the County of Norfolk:

Respectfully liels and represents Louisa F. D. 1892, and thereafter your libellant and the said libellee, James Tufts, lived together as husband and wife, to wit, at St. John, Sussex, New Brunswick, that your libellant has always been faithful to their marriage vows and obligations, but the said libellee, James Tufts, being wholly regardless of the same at St. John, New Brunswick, on or about the 15th day of January, A. D. 1908, did utterly desert your libellant and the said desertion has continued for three consecutive years next prior to the filing of this libel; that your libellant has been a resident in this Commonwealth for five years preceding the filing of this libel; that there have been born to them four children, three who are now living.

Wherefore your libellant prays that a divorce from the bond of matrimony between your libellant and the said libellee, James Tufts, be decreed.

D. 1924, and by mailing forthwith, by registered letter to the libellee at Cleveland, Ohio, an attested copy of said libel and of this order thereon; that he may appear at said Court within one month from said fifth day of March, and show cause, if any he has, why the prayer of said libel should not be granted.

Nominations Must Be Made This Month

Another Annual Town Meeting is near at hand. Town Meeting, Monday, March 3. Town Election, Monday, March 10. But nominations must be made about two weeks in advance, as will be seen by notices to voters by Town Clerk Merchant in this paper.

This year 56 Town Meeting Members are to be elected, some in every precinct for three years, and in three precincts there are vacancies to be filled. Nomination papers may now be obtained from the Town Clerk and must be filed with that official on or before Tuesday, Feb. 26, at 5 P. M.

As usual town officers are to be elected. All caucus nominations must be filed on or before Wednesday, Feb. 27, while nominations by nomination papers must be filed on or before Thursday, Feb. 28.

The first meeting for registration of voters will be held by the Registrars at North Weymouth next Wednesday evening, Feb. 13, and frequent meetings of the board will continue until Saturday evening, Feb. 23, when reg-

istration will close at 10 o'clock. It is reported that Mrs. Annie S. Lynch and Alfred W. Hastings will not be candidates for reelection. In East Weymouth it is expected that Winslow M. Tirrell will have no opposition.

In Ward Three, the only candidate to enter the Republican caucus will probably be H. Franklin Perry, who made a good run last year in a three-cornered fight. Probably John B. Whelan will run again on nomination papers.

In the South Weymouth district there are two or more candidates, A. Spencer Marsh of 34 Union street, and Frederick E. Waite of Randolph st. It has been rumored that a woman may also enter the field.

Probably Theron L. Tirrell and William B. Dasha will have no opposition, but some would like to have Frank H. Torrey, who has resigned as assessor, become a candidate.

Probably the amended Town Meeting Act will not come to a vote at the Annual Town Election.

"THE COUNTRY SCHOOL AT BLUEBERRY CORNER" will be given Feb. 14 at the First M. E. Church, East Weymouth.

The play is laid in three scenes: Scene I—Examination of teachers. Scene II—First day of school. Scene III—Closing exercises of term Time, one hour.

BANK ORNAMENT
Treasurer Fred T. Barnes is very much pleased with the new building of the South Weymouth Savings Bank; its layout, conveniences, sunlight, etc., and these cold days the self-heating heater keeps an even temperature in the whole building.

Because of inquiries relative to the ornament of the front entrance, Treasurer Barnes has sought light from the architect, John W. Beal, who writes as follows:

My dear Mr. Barnes:
In answer to your question as to the significance of the ornament in the pediment at the entrance of the bank building, I am glad to explain as follows:
The two fish represent dolphins which according to classical tradition—"enjoy and enjoys even now in some parts, a kind of veneration which protects him from persecution". By being immune from harm, naturally there grew up the feeling that whatever a dolphin was near would also be immune, therefore, the sense of protection is intimately associated with the dolphin.

The shell is there for two or three reasons; in the first place, from the point of composition it takes the place of the usual cartouche which as ordinarily detailed would not harmonize well with the dolphin idea. The shell furnishes the same mass of ornament as the cartouche and at the same time harmonizes with the dolphins as they are both naturally associated with the sea. There is a further reason for the shell, and in fact for the whole motive, inasmuch as the Town of Weymouth is connected directly and by the river with the sea.

Of course, the whole thing is a bit romantic. What we were actually after was some decorative element to mark the entrance, but in all decoration it can be tied to the local traditions and be based on some definite facts and still be ornamental. It is much more satisfying than some meaningless cut-and-dried ornament which has been done over and over again.

Yours very truly,
JOHN W. BEAL

IN MEMORIAM

Ex-President
WOODROW WILSON
1856 --- 1924
President 1913 -- 1921

WAR PRESIDENT DEAD

The country mourns the loss of her War President Woodrow Wilson, who died on Sunday at 11.15 A. M., a martyr to the cause of the World War. Weymouth received the news at noon by radio, and reference was made to the great man at some of the Sunday services. Flags were also placed at half mast and continued at half mast until after the funeral services on Wednesday.

The last tribute was unusually simple for so great a President who died at the capital, but it was his wish, and the wish of his widow. The final resting place has not yet been determined.

Ex-President Taft suffered an attack of indigestion on Wednesday, but is reported improved. Weymouth friends hope the only ex-President may be spared for many years.

TUFTS FUND CONCERT

The concert given by Boston Symphony Orchestra at the Fogg Opera House on Tuesday evening made possible by the Tufts fund, was exceptionally fine, and very much enjoyed. Because the weather was stormy there is a possibility that the concert may be repeated.

The regular monthly meeting of the Men's Club, Clapp Memorial Association comes next Wednesday, Feb. 13. The speaker will be Roger Lee, Studley of the firm of Studley & Emery, wool merchants, whose subject will be "From the back of Sheep to the back of Boy". He will have samples of wool, top, yarn, and cloth and will have a talk that will be enjoyed by all who attend.

DAUGHTERS OF VETERANS

A good attendance marked the January meeting of Susannah Tufts chapter, D. A. R. of Weymouth held with Mrs. Wendell B. Clapp at her home on Front street, Weymouth, the president, Mrs. Alice Pierce Jewell, presided. After the usual exercises the New Year's message of the president general was read by Miss Anna Hayward. Reports of officers were read and accepted and delegates and alternates chosen for Continental Congress to be held in April in Washington, D. C.

The programme of the afternoon was several readings given by Mrs. M. Isabel Davis of Quincy in a very pleasing manner. The silver loving cup which the chapter received for a prize for the best patriotic float at the Tercentenary celebration of Weymouth was on exhibition and is a gift that will be appreciated by future Susannah Tufts Daughters as well as those of today.

The hostesses of the afternoon were Mrs. Wendell Clapp, Mrs. Edwin Senior and Mrs. Frederick Cate. Refreshments were served and a social hour was much enjoyed.

WEEK END PARTY

Last Saturday and Sunday Dan Brown entertained a group of young people at the summer home of his father on Whitman's pond, Weymouth. Skating was enjoyed, but due to the lack of wind, the iceboat remained at anchor. Fogg's Opera House at Weymouth was again the scene of great activity when the whole crowd marched in, in camp style and danced the whole evening. The party was chaperoned by Miss Ray, and included Mary Saunders, Marjorie Field, Dot Aldrich, Lyman Brown and L. Draper Hill, all of Brookline.

GIRL SCOUTS

The fine spirit of the Norfolk club has once again been felt in our community. The Norfolk club has held out a helping hand to the Girl Scouts. They have given the girls the use of the rooms at the Opera House, formerly used by the Savings Bank. The room is well heated, well lighted and in every way pleasant and desirable. And do they appreciate it? Just ask them.

YOUTHFUL OFFENDER

Early Monday morning Inspector Boyle arrested a 14-year-old boy, who gave his name as Oscar C. Burnham of Lexington, charged with breaking and entering a store at Thomas Corner.

He was arraigned in the juvenile session at the District Court. He is said to have admitted to Quincy police that he entered three stores at Quincy Sunday afternoon. He is also wanted in Lexington.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE consists of an Ointment which quickly Relieves by local application, and the Internal Medicine, a Tonic, which assists in improving the General Health. A Story of Success

How Studebaker Cars became leaders

145,000 people last year paid \$200,000,000 for them

THE most talked-about cars among fine cars are the Studebaker Sixes—at \$975 and up. Sales have almost trebled in the past three years. The demand for these cars, growing by leaps and bounds, has been Motordom's chief sensation.

Over \$200,000,000 was last year spent for Studebaker models.

Now we wish to explain, to all who are interested, the reasons for that success.

Studebaker has always led

For 72 years the name Studebaker has stood for quality and class.

Studebaker equipages, in the carriage days, held premier place. The White House owned them in the days of Grant and Harrison.

Now we make motor cars only. But the Studebaker name, in this modern field, simply had to maintain its prestige.

* * *

We had the money, we had the incentive—we who now control. And our one ambition has been to maintain the Studebaker place.

\$90,000,000 assets behind us

Studebaker assets are \$90,000,000. We have \$50,000,000 in modern plants and equipment.

Not old plants re-adapted. We have spent \$32,000,000 in new plants in five years. We have equipped them with 12,500 up-to-date machines.

Over \$8,000,000 was spent on drop forge plants alone. Another \$10,000,000 on body plants, to maintain our prestige in coach building.

We believe that no other plant in the country is so well equipped to

build quality cars as Studebaker.

Engineering—\$500,000 yearly

We created an engineering department which costs \$500,000 yearly.

There are 125 skilled men there who devote their time to studying betterments in cars. They make 500,000 tests yearly.

There is a department of Methods and Standards. They decide and fix every standard in these cars.

We spend \$600,000 yearly to machine all surfaces of crank shafts, just as in Liberty Airplane Motors. That is the reason for that perfect balance, that absence of vibration.

Every Studebaker car is Timken-equipped. The Special-Six and the Big-Six have more Timken bearings than any car selling under \$5,600 in America. The Light-Six more than any competitive car within \$1,000 of its price.

Open cars have real leather upholstery. They cost \$25 more per car than imitation leather.

Our closed cars have Chase Mohair upholstery. This is made from the soft fleece of Angora goats. And a Sedan requires from 15 to 18 yards.

Velour for this upholstery would save us up to \$100 per car.

Note the finish of every detail. Mark the infinite care. They add 25% to labor cost on luxurious closed bodies.

Note the completeness of our larger closed cars. The nickel-plated bumpers, the extra disc wheels and cord tires, the steel trunk, the courtesy light, etc. Think what they would cost you, bought as extras.

Thus we have made the Studebaker the leader of quality cars. We have built a demand exceeding 145,000 cars per year.

Learn the results of these efforts, in fairness to yourself. Don't buy a car at \$1,000 or over without knowing what we offer.

Compare the parts and details. Mark the advantages we offer—scores on scores. Our experience is that 95% of those who do that buy a Studebaker car.

Learn why 145,162 bought Studebakers in 1923

Studebakers hold the top place in the fine car field today.

In 1919, the public paid over \$80,000,000 for 39,356 Studebaker cars.

In 1920, the public paid over \$100,000,000 for 51,474 Studebaker cars, an increase of 31% over 1919.

In 1921, the public paid over \$120,000,000 for 66,643 Studebaker cars, an increase of 29% over 1920.

In 1922, the public paid over \$155,000,000 for 110,269 Studebaker cars, an increase of 66% over 1921.

In 1923, the public paid over \$201,000,000 for 145,162 Studebaker cars, an increase of 32% over 1922.

In 1924, business has opened with Studebaker as never before.

Learn why all these buyers preferred Studebakers.

Our factories employ 1,200 inspectors, to make 30,000 inspections on all Studebakers cars. Few flaws, few mistakes can escape them. That, we believe, is the finest organization ever devoted to motor car building.

"How I Wooed and Won the \$40,000,000 Rogers' Heiress"

Count Salm's Own Story of His Whirlwind Courtship and Marriage

Count Ludwig Salm von Hoogstraeten

Who won the hand of Millicent Rogers, heiress to a \$40,000,000 fortune left by her grandfather, H. H. Rogers of Standard Oil fame.

Von Hoogstraeten tells how titled Gold Diggers marry money. Gives amazing facts regarding heiresses who gave up all to marry titles.

Countess von Hoogstraeten, formerly Millicent Rogers, daughter of Colonel H. H. Rogers, and granddaughter of the late H. H. Rogers, oil magnate.

Count Salm and Fern Andra, famous German movie star, an old flame of the Count. They are shown in a German movie in which the Count was the Sheikh.

The late H. H. ROGERS, Standard Oil magnate, founder of the \$40,000,000 fortune.

Before starting on his honeymoon, Count Salm wrote astonishing story of how one of America's richest heiresses defied her family.

Mrs. Grace Sands Montgomery Coffin, to whom the Count was engaged to be married, and whom he jilted to wed Millicent Rogers.

Count Salm, known in Paris, London, Vienna and Continental Europe as the "Rodolph Valentino" of European movies, just before sailing from New York the other day on his honeymoon, completed the writing of the most thrilling real life romance ever offered for newspaper publication.

As picturesque as Don Juan, more widely known than Beau Brummel, this modern Romeo has written of heart affairs that have made the smart sets of four continents gasp and he makes public for the first time the true story of how he courted and won the charming (and immensely wealthy) Millicent Rogers, the richest matrimonial prize of 1924.

Don't miss a single chapter of this wonderful story; more fascinating than any romantic novel

GO RIGHT AT IT

Friends and Neighbors in Weymouth Will Show You a Way
Get at the root of the trouble. Rubbing an aching back may relieve it.
But won't cure it if the kidneys are weak.
You must reach the root of it—the kidneys.
Doan's Pills go right at it: Reach the cause; attack the pain. Are recommended by many Weymouth people. Ask your neighbor! Mrs. Llewellyn Thomas, 1 Granite street, Weymouth, says: "I was troubled with my back and kidneys and had sharp, cutting pains in the small of my back which seemed to be worse in the morning. My kidneys acted irregularly. A few boxes of Doan's Pills which I got at Kemp's Drug Store rid me of the attack. I have since used Doan's as a kidney tonic with great relief."
Price 60¢ at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills, the same that Mrs. Thomas had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

BASKET BALL

SPORTS

WEYMOUTH 25, ROCKLAND 17

The local five decisively defeated the Rockland A. A. at Bates Opera House Friday evening. Rockland sent a large delegation. Weymouth's rooters were out in force.

"Tacks" Connell opened the scoring with a good shot from the side of the hall and immediately followed it with another. Shields' annexed a point from the foul line. "Bill" Barrett hopped a long one. Johnson got away from Shields long enough to pop one in from under the basket. Shields more than evened it up by getting two in the same manner. John Gannon caged a nice shot for two points. "Tacks" sunk another one of his spectacular shots. "Bill" Barrett galloped the length of the floor and counted easily. Fitzgerald added a foul as the period ended. Weymouth leading 11-9.

The second half opened with both Connell and Barrett scoring with long shots. Gannon netted a double counter from midfloor. "Tacks" followed with the longest shot of the evening. Roscoe Pitts got going in high and sunk three baskets in succession putting the game on ice. Johnson got an easy one under the basket. Barrett ran away from Pitts and scored again. "Tacks" caged his sixth basket and Pitts made his count four just before the call of time.

Connell was the works for Rockland scoring all but five of their 17 points, and giving Roscoe Pitts his hardest battle this season. Heal and Curtin staged a real tussle, Earl going scoreless for the first time in his appearances on the South Shore. Gannon held Sney to none and gathered four points besides. "Bill" Barrett played rings around Fitzgerald. Shields and Johnson both played well.

WEYMOUTH BEATS NEW YORK

Weymouth nosed out the visiting New York Nationals Monday night in the hardest, fastest and closest basketball game ever played in Bates Opera House.

The score was tied eight different times during the contest. In the last few minutes both teams tried desperately: the wonderful floor work of both kept the fans in an uproar. With the crowd yelling like mad for their favorites to come thru, Curtin caged a peach of a shot from well beyond midfloor to tie the score at 37 apiece. Barrett tallied with the winning basket in the last minute of play. Sheehan opened the scoring with was featured by wonderful shooting a nice one-hand shot. The first half by the visiting stars, Cooney and Conaty, each of them netting basket after basket from well beyond midfloor. Gannon caged three pretty baskets and a foul in this period. Sheehan and Barrett both counted twice with nice shots. The visitors led at the half 23-17.

The second period opened a bit slow with the Nationals increasing their lead slightly in the first few minutes. Sheehan and Gannon started things for Weymouth with two baskets and a foul apiece, making the score 26-25 with the locals trailing and hotter; with the lead seeing from one to another, until Curtin and Barrett brought home the bacon at the very end. Gannon played rings around his opponent, scoring fifteen points to Stuckberry's four. Sheehan and Cooney put on a real battle with honors even. The centers, Fitts and Grody, went scoreless, but both were factors feeding the ball to the others. Barrett played the game of his career against Conaty. Curtin and Dave Seaman were practically even with Dave having the edge on points. The summary:

The Collegians had little trouble disposing of the Rockland All Stars in the second contest at Bates' Monday evening.

Slattery, Gunville and Coyle all played well, and as usual when pitted against an easy team, the Collegians looked like world beaters. Morgan was easily Rockland's best player. All of his baskets were fine shots. "Firro" Casey was a star on defense, his huge bulk and bull-like rushes furnishing no end of amusement to the crowd.

Citizens' Committee Formed to Back Legion Drive
A committee of citizens of the town has been formed to encourage and assist Post 79 in its coming drive for new members Feb. 22 to March 1. It is composed of the following:

The patriotic purposes of the Legion are well known. The good that a well organized and established post can do in town is immeasurable. They now, and will for the next half century, need a permanent home. By their own efforts they have already made a good start toward securing it. They have solicited no direct gifts.

The following members of the above committee in meeting assembled Feb. 6 have jointly subscribed the sum of \$100 to be added to their building fund as an encouragement to the local post in its drive for membership:

tendance. After the fellowship sup-
per the meeting was called to order
by Moderator J. F. Robinson. The re-
ports were all encouraging and
showed gratifying progress. Forty-
two persons were added to mem-
bership during the year and seven re-
moved by death or transfer of mem-
bership making a net gain of 35, the
total present membership of the
church being 415.

The treasurer's report showed all
bills paid and a balance of \$774.91.
To the missionary work of the de-
nomination \$1265 was contributed be-
side the sending of boxes and barrels
to missionaries and generous offerings
for Japanese and Near East Relief.

The Church School showed an en-
rollment of 239 in the main school
and 17 in the Home Department, a
total of 256. Average attendance was
152, the largest attendance being 196
and the smallest 104.

It was voted by the church to pro-
vide a "Wayside Pulpit" to be erected
on the church green and also to de-
signate the offerings for foreign mis-
sion work in 1924 to the support of
the new station in Kienning, China, which
is to be in charge of Rev. Robert
W. McClure.

During the evening a purse of gold
was presented to Frank E. Loud in
appreciation of his faithful and effi-
cient service as superintendent of the
Sunday School through many years.

Among the new officers are: Fran-
cis S. Davis and Alvin T. Reed, dea-
cons; Walter L. Bates and Herbert C.
Torrey, trustees; John Q. Torrey,

CLARK C. E. UNION
About one hundred Christian Endeavorers from the Scituate, Hingham, Cohasset, Abington, Rockland, and Weymouths attended a Clark C. E. Union social held in the First church chapel, Weymouth Heights, last Friday evening, the occasion being in celebration of Christian Endeavor's 43rd birthday.

The Weymouth Heights Endeavorers are to be congratulated on the artistic way in which they decorated the chapel, streamers of red and white crepe paper being used.

Carlton Litchfield of Scituate center was in charge of the evening and opened the social with a radio concert.

Fred MacNeil of Scituate operated the radio and when putting on a loud speaker the Endeavorers listened to a splendid program broadcasted from station "Clark", the numbers being as follows:

Musical selections by the Rockland C. E. orchestra
Baritone solos by Carlton Litchfield of Scituate
Vocal duets by Mrs. Doris Stackpole and Miss Marion Loud with ukalalee accompaniment

The radio concert was interspersed with local jokes and was very entertaining for all.

Another feature of the evening were the stunts by the several societies; there were some very clever ones and they all proved to be most enjoyable.

The remainder of the evening was devoted to playing games.

Refreshments were served by the Weymouth Heights C. E., after which the social adjourned, all having celebrated Christian Endeavor's birthday in a jolly and most enjoyable way.

BATES OPERA HOUSE

Tomorrow (Saturday) at the Bates Opera House the management offers an exceptional program of high class pictures, featuring a big double bill, including the stirring Northwestern drama, "The Silent Call", with Strongheart the wonder dog, in the leading role. The other feature, "Love Never Dies" starring Lloyd Hughes and Madge Bellamy, is a sensational thriller, in which is shown one of the most realistic train wrecks ever introduced in pictures. A Mack Sennett comedy rounds out an exceptional bill of movie features. Presents will be given to children attending the Saturday matinee.

GEM THEATRE

Constance knows you love to laugh at the discomfiture of others, so she made this picture to give you a treat. The laughs are on her, she admits; that is, all but the last laugh, and as Dulcy says, "He who laughs last—" So leave old man Dignity behind and come to the Gem Theater, Sunday, to see Constance Talmadge in "Dulcy." "Big Tim," O'Rourke's mansion was on fire. That was minor news. But imprisoned in the building was Sally Drennan, the fire chief's daughter. Don't miss "Hook and Ladder," with Hoot Gibson, Sunday at the Gem.

Gold Dust tearing on—Thunderbolt in the lead—a girl with her heart in her mouth mingling her prayers with the frenzied screams of a race-crazed mob? Could the Ramblin' Kid overtake his competitors lead? See the Ramblin' Kid at the Gem Wednesday.

BATES OPERA HOUSE

The management of Bates Opera House announces one of the biggest photoplays of the season. This is the sensational attraction "Powder River" the great drama of the late war, photographed by the United States Government. This picture shows actual battle scenes which are part of the Government film library that is intended to be kept for future generations.

On Wednesday, Feb. 20, at Bates Opera House, the famous McEnelly's singing orchestra will make their first appearance in Weymouth.

"THE WHITE SISTER."

The season's triumph of the screen is undoubtedly Henry King's fascinating film production presenting Lillian Gish in "The White Sister," F. Marion Crawford's absorbing story of life and love in Italy, which is to be presented at Quincy Music Hall for six matinees and six evenings beginning next Sunday afternoon.

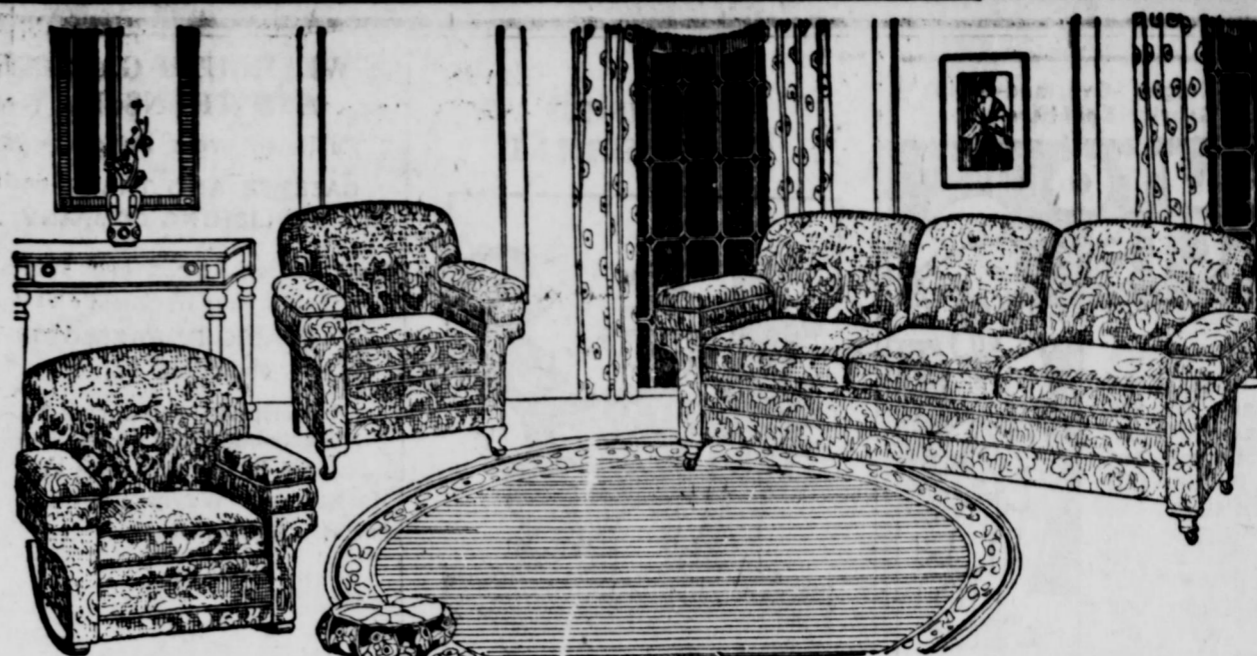

It is a rare combination. F. Marion Crawford, one of America's greatest emotional writers chronicled the story from real life in a novel which has been read eagerly by millions of people, having been translated into many languages: the gifted and well-remembered Boston actress, Viola Allen, appeared throughout America and England in the absorbing dramatic version of the story, and now the great artist Lillian Gish, heroine and star of the famous D. W. Griffith's "Birth of a Nation," "Hearts of the World," "Orphans of the Storm" and "Way Down East," gives her talents and her graces to the photoplay production, which has been filmed with fidelity under the direction of Henry King by the Inspiration Pictures, Inc., amid the actual and beautiful Italian scenes where the original characters lived and loved.

This remarkable picture will be shown nowhere else in this vicinity. The ticket office is open daily and reservations may be made by mail or telephone.

KINCAIDE'S

1495 Hancock Street, QUINCY, Mass

The coming membership campaign was thoroughly discussed at the regular meeting of the Weymouth Post last Monday evening. In spite of the basketball game there was a good bunch of fellows present and enthusiasm ran almost as high as it must have run at Bates Opera House.

The members present at the meeting felt very strongly that every ex-service man in town should join up and become one of the Legion. The good of joining the Legion is so apparent to every member that they cannot but wonder what the reasons can be for not coming in.

Here we'll give you a few more reasons why every ex-service man should join the Legion. In these reasons we try to explain what the Legion as a national body is doing and what it means to do. Reasons for joining the local Post will come out a little later.

Why Should I Join the Legion?
Because the Legion, as a body of red-blooded ex-service men, can do much for the good of the country. It was founded on the principles of law and order, and around its banner has rallied nearly a million of the same men who in 1917 rallied around the flag of our country. Why not be one of the bunch again?

We hear a lot nowadays about Americanism. About teaching the strangers to our land the principles upon which our Republic was built. With the co-operation of the National Education Association the American Legion has sponsored and promoted this great movement. Isn't this real work? The work of the fellows who carried it on during the war? We think so.

Why?
Then there's another angle of this Americanization proposition. The Legion has formed a code of ethics for the proper use and display of our flag. It has carried on the distribution of these flag codes thruout the schools of the country.

Why?
Take it from the social standpoint. We haven't all got to the age where we're not interested in some good times. Locally the Legion has had some mighty good times along these lines. Let's name a few of them: those enjoyable dances held at Armistice time, the good snappy and interesting shows, the delightful outings and eats, and last but far from least, the mammoth field days during the summer. Further than that, during the winter months there are social meetings to which members may bring their wives and sweethearts. A little pleasure lightens the burdens of this tough old world, so why not sign up and take part in these good times?

Why?
The Legion has always been first in caring for the disabled. It makes the claim that every bit of legislation that has been enacted for the benefit of these men, originated with the Legion's committee. In spite of all that has been done, there's lots more to do, and without the help of every interested ex-service man everything cannot be accomplished which should be done. There wasn't a man in the service during the war that wasn't ready to help the other fellow, even if it was only to lend him a few francs until pay day; and we'll wager that this same spirit can be found today. Why not join the Legion and help this good work along?

There's more reasons coming. Keep your eyes open.

Senator David I. Walsh will give the principal address at the midwinter meeting of the State Federation to be held in the Methodist Episcopal church at the corner of Columbus avenue and Berkeley street, Boston, on Friday, Feb. 29, by invitation, of the Woman's Charity Club.
At the morning session Mrs. Joseph C. Otis, president of the Hostess Club, will welcome the delegates and Mrs. Grace Morrison Poole, the State president, will respond.

An important feature of this meeting will be the presentation of Legislative bills for endorsement by the delegates representing the 143,963 members of the Federation by Mrs. Joseph W. Atwill, chairman of Legislation. The discussion of these bills will continue at the afternoon session.
The bill regulating the practice of midwifery is considered of the greatest importance by the executive board, and women are urged to use their influence to insure its passage. Many of the clubs have already arranged for legislative afternoons in order to hear further discussions on the matter.

Resolutions will be presented on the death of Mrs. George Minot Baker, who was General Federation director for Massachusetts and past State president; also the proposed memorial fund for Mrs. Baker to aid the MacDowell musical colony at Peterborough, N. H.

Hear of Wool Industry

Whether Robert Lee Studley pulled any wool over the eyes of the members of the C. M. A. Men's Club on Wednesday evening we do not know, but certainly he told how they could boost the wool industry. He is the senior member of the firm of Studley & Emery, wool merchants of Boston, of which Allan C. Emery of Weymouth is the junior member.

A hot roast beef supper served in C. M. A. style was served at 6.45 and enjoyed by nearly 100 prominent business men of the town. Piano selections by a friend of Mr. Fahyan were appreciated.

Town Counsellor W. J. Holbrook presided and at his request Mr. Emery introduced his partner in a jovial manner.

Mr. Studley's subject was, "From the Back of the Sheep to the Back of the Boy". It was an exceedingly interesting review of the wool industry, because Mr. Studley told many stories. He told where sheep were raised, about a million a month being required in this country to supply the demand for meat. About the shear-

ing, and how the buyers bought the pelts before being cleaned. Much depends on the estimate for shrinkage whether the price is right.

The demand has increased while the supply has decreased, so that it is now necessary to import considerable wool from Australia and South America; fortunately when it is summer in the United States it is winter in Australia, and vice versa, so that it is a year 'round business.

Wool merchants have to anticipate a year in advance what the demand is going to be. He said today they did not depend wholly on suits and coats, but closed automobiles, knitting etc., require considerable wool. It made quite a difference in the demand whether women wore short skirts or long skirts. He surprised many when he said many of the fur coats of today are made of mohair.

Boston is the big wool market of the world and the largest manufacturing are in New England.

Several questions were answered. Then on motion of W. A. Hodges a rising vote of thanks was given to the speaker.

K. OF P. ANNIVERSARY

Delphi lodge, Knights of Pythias, held a meeting Thursday evening and completed arrangements for the 55th anniversary of the lodge to be held next Tuesday evening, when there is to be supper, entertainment and dance. The committee in charge is Lawrence E. Pray, Christopher Wade, Russell E. Deheimer, Franklin P. Whitten, Frank A. Pray, John Carter, Everett J. McIntosh, B. F. Johnson, Lester Tisdale and Elmer H. Goodspeed. The lodge is also to take part in the district anniversary to be held with Montaniquet lodge of Braintree, Feb. 22. The other lodges in the district being Hingham, Rockland, Whitman and Wollaston.

STREET CAR MAN HURT

Wednesday evening an automobile knocked down and caused slight injuries to Patrick Kearns, operator of a street car en route from East Weymouth to Braintree, as he was crossing the street to throw a signal light. The man in charge of the automobile said he was W. B. Schalk of South Weymouth. He rendered what assistance he could to Kearns, who was hurt about the knee.

ALL FOR COOLIDGE

Former Mayor Keith of Brockton and former Senator Barnes of Weymouth announce their candidacies for delegates from the Fourteenth Congressional district, and Mrs. Beatrice W. Nichols of Quincy and Counsellor Elwin T. Wright of Rockland for alternates to the Republican National convention to be held in Cleveland in June. The above group will be committed to the candidacy of Calvin Coolidge.

LEGION NEWS

Plans for Post 79 membership drive are fast being perfected and everything points to a grand get-a-way Feb. 22.

If any ex-service man within the borders of our good old Town escapes the barrage that our membership committee will lay down on the anniversary of George W., he's got to go some. Details and plans will be gone over on Thursday night Feb. 21 at our get-together party at G. A. R. hall. Our ever ready Auxiliary have offered to put on a supper to start the party right and you know what that means. Vice Commander Good of the State Department will speak and will bring a message that will interest every Legionnaire. Additional features are on the program and every Legion man should be on hand when the mess call sounds at 6.30 Feb. 21. Lest we forget, the membership card for 1924 is blue. Alex Tanguy, 40 Standish street, North Weymouth will send you one for \$2.00 if you haven't got one.

—A Paige touring car, owned and operated by Henry C. Hatch, 149 Crescent street, Brockton, registration number 49,237, narrowly escaped serious damage on Tuesday night when the machine skidded on the icy road on Pleasant street and struck a tree on the opposite side of the street. The car was headed toward North Abington, but turned completely around before striking the tree. Mr. Hatch was accompanied by his wife, but neither of them was injured. The glass in the coupe door was broken and the mudguard and hood were badly dented. The machine was removed to the Wessagusset garage for repairs.

—Please forward news and advertisements early next week because of the holiday. Monday or Tuesday when possible.

PRESIDENT ALLEN FOR VETS

President Frank G. Allen of the Massachusetts Senate takes vigorous exception to that paragraph in the report of the Commission on Administration and Finance, which declares that "The preference by law given to veterans, and particularly to disabled veterans, is unfair class legislation in the extreme, and undemocratic."

President Allen, quick to denounce such an utterance, made this terse comment "I am a very strong believer in the veterans' preference statute, subject to proper regulations, particularly as applying to disabled veterans. Preference laws were enacted during my term of service in the Massachusetts Legislature."

AMERICAN TREES

It is pleasing to all Americans and especially those who are tree lovers, that the soldiers' memorials are to be American grown. Our government has decided that it is most fitting that our soldiers should be held in memory by our own, and not foreign trees. There may be trees more beautiful than ours but this is hard to believe. And, be that as it may, the men who lost their lives in defense of our own land surely loved their native trees. Let these be used as memorials.—Dedham Transcript.

THE OLD GOLDEN ROAD

"There is nothing mankind needs so much today as a return to the idealism of Christianity in public affairs. The visionary utopias, the false ideals, and the philosophy of selfishness and despair, have alike failed it. Internationally, the world has seldom seemed to be in a more insoluble mess. Fear, love of money, hatred, racial and national selfishness have reduced it to apparently inextricable confusion. Yet it is not difficult to see signs from every side that people are beginning to realize that the false ideals they have been following are not producing and cannot produce the results they promised, and that the only real way out is the old golden road of righteousness and brotherly co-operation." —Christian Science Monitor.

SEND COPY EARLY

Press Correspondents of local fraternal organizations, clubs and social bodies are again reminded that it is the policy of the Gazette-Transcript to publish reports of all events following the afternoon or evening on which they occur. Plans are made to this end and are disrupted when correspondents fail to submit reports on time. It is likewise true that the public lacks much of the benefit it might have for the organization if it does not appear when it is expected.

GIRL SCOUTS

Dear Mothers of Scouts, Friends of Scouts, and anyone interested in Scouts:

Do you know that Scouting has come to be one of the greatest systems of safeguarding youth today? These are the times that thought is turned toward prevention. People will groan over the evils of the world and ponder over the outcome but that isn't enough.

DO SOMETHING. There is just so much time at everyone's disposal. If that time is kept filled with good, interesting activities there is no room for idle thinking which even in grown-ups turns to self, self-pity, self-praise anything of which SELF is the center. Scouting is essentially teaching the growing mind to live better, fuller lives; to make the most of opportunities; and to make opportunities where there are none.

Of the great preventative work being done today, Scouting takes its place with the best; it appeals to the 'gang spirit' that is the banding together for a given purpose; it appeals to the intelligence; and it appeals to the lover of good, clean fun. What more can anything offer.

There is a great deal of money being spent by devoted workers, Mrs. James J. Storrow, Mrs. Arthur W. Hartt, Mrs. Herbert Hoover and others. There is a wonderful estate of 87 acres, mansion, barns, etc. that has been given by Miss Cornelia Warren, Waltham, to be the Headquarters for all kinds of Scout activities.

Wherever there is work there must be workers. There are many women who would be only too glad to give a little time and thought to this interesting work if they knew how to go about it and what to do. Aside from the good that one can do. It's lots of fun. It broadens your point of view and opens new channels of interest and becomes as beneficial to the leader as to the girls.

Wouldn't you like the privilege of being identified with such a work as this. There's much to be done and if each does a little much can be accomplished. If you are interested in Scouting and would like to know more about it, whether you wish to take an active part or not, I will be only too glad of an opportunity to tell you all I can. Telephone Weymouth 1325 M.

Sincerely yours,
ESTELLE B. METCALF,
Captain Troop 4

PAY OF POSTAL EMPLOYEES

There have been recently printed in the daily papers several items regarding increased salaries for postal employees and feeling that the people of Weymouth might wish to be enlightened on this subject I have taken the liberty to write you this letter enclosing a speech made by Senator David I. Walsh on the subject of necessary increases in salary for postal employees, with the hope that you will see your way clear to print it.

The postal employees of the country have long chafed under their inadequate salaries and the constantly increased cost of living. This fact is evidenced by the increasingly hard task the government has in securing sufficient men to properly man the service. In the large cities of the country there has been an enormous labor turnover in the postoffices, in some offices amounting to 500% in a single year. You can readily see that such a situation is a serious detriment to the service and cannot be remedied except by making the service attractive through increased salaries.

Bills have been introduced into both houses of Congress to remedy this condition and every citizen who is interested in the proper functioning of the postal service (and who is not?) should immediately write to the Senators from Massachusetts and the Congressman from his district urging upon them that they support the Edge Bill, S. 1898, in the Senate and the Kelly Bill H. R. 4123 in the House. In this way they may aid the postal employees in securing the much needed increase which is long overdue.

Yours sincerely,
H. W. ROCKWOOD

THE WINTER IN FLORIDA

Editor Gazette-Transcript: "All good things come in bunches." I have just received four separate copies of the Weymouth Gazette. Letters from home are appreciated, but to get the news we want the local papers mailed to us.

A year ago I said jokingly, "My wife and I are going to motor to Florida next winter". As time slipped by Florida became a sure thing and Dec. 27, Mrs. Prescott's birthday, we were given a great send-off at our home in Braintree.

We have now travelled 2500 miles over roads much better than we expected to find them. Knock on wood, for we have had no tire, engine, or other trouble. I am convinced the only way to see Florida is by automobile. Evidently others think the same, for cars in abundance are here from every state in the Union. Street parking places here are now taxed to the limit.

Miami is the fastest growing city in Florida; in the United States; yes, in the world, and speculators in real estate here get rich over night. Beach lots 50x100 are selling around \$5000 and going higher.

Grape fruit, oranges and other fruit are rotting upon the ground; there being a surplus and freight rates too high. We are well supplied all the time with large grape fruit at one cent each, while juicy oranges are about twenty cents a dozen.

We are in summer clothing, or bathing suits, trying to keep cool. After two or three more weeks touring Florida, we shall head north expecting to reach Braintree about April first.

WEYMOUTH 20, RANDOLPH 17

Weymouth defeated Randolph in a slow and uninteresting game at Bates' Opera House Friday night. Randolph led at the half 8-4. The local players seemed unable to get going in the opening period and though they had many opportunities to score they failed to take advantage of them. The second frame found the pace a bit faster; successive baskets by Gannon and Fitts put Weymouth in the lead.

Charlie Kiley was high scorer for the visitors with three baskets, while Fitts led the local squad with seven points.

SPORT NOTES
—Joe Downey's Oko five will play Weymouth tonight at Bates Opera House. Manager McGrory will start his usual five, Gannon and Sheehan forwards, Fitts at center, Capt. Curtin and Barrett backs with Shields in reserve. Downey will play his usual team with the addition of "Dutch" Gunthers, Interstate league star.
—Sandy Roulston and Matt C. Sproule headed the large delegation of local horsemen who attended the annual get-together of the New England horsemen Wednesday evening at the Copley Plaza.

—The Collegians will have the Oko Seconds as their opponents in the Mayflower league contest Friday night.
—John Daly, well known horseman and a former resident, was a recent visitor in town. John's old favorite, Miss Solona 2.19½ still has the winning habit. Last week's race reports show her heading summaries on the snowpath in Vermont.
—Evidently some shakeups are due in the Randolph lineup. The red hot sport fans in Farrell's town want a winning team.

—Fred Walte, long and favorably connected with amateur sport in this town, is making a determined bid for the office of Selectman.
—Fred H. Bellows, of Holbrook, prominent in Old Colony Driving club affairs, recently purchased the fast record pacer Colonel Sparks 2.05½.
—The game with Randolph appeared tame after the whirlwind affair with the New York Nationals earlier in the week.

They Paid \$200,000,000 for Studebaker cars last year

Find out why folks did it

LAST year 145,000 people paid over \$200,000,000 for Studebaker cars.

The demand for these cars has almost trebled in three years. It has become the sensation of Motordom.

There is a new situation in the fine-car field. You should learn what it means to you.

Studebaker had to lead in this field. This concern has led in its lines for two generations. Any other place would be unfitting.

This is how we became the world's largest builders of quality cars.

\$90,000,000 assets

Studebaker has \$90,000,000 of assets. Of this \$50,000,000 is invested in modern plants and equipment.

We have spent \$32,000,000 for new plants and equipment during the last five years. So they are modern and efficient. They contain 12,500 up-to-date machines.

We have \$8,000,000 in drop forge plants, \$10,000,000 more in body plants. So we build complete cars without paying other makers profits.

We spend \$500,000 yearly on an engineering staff. There are 125 skilled men employed in our department of Research and Experiment. They make 500,000 tests per year.

We employ 1,200 inspectors. Each Studebaker car must pass 30,000 inspections during manu-

Then on some steels we pay makers a 15 per cent bonus to insure exactness in them.

Every Studebaker car is Timken-equipped. The Special-Six and the Big-Six have more Timken bearings than any car selling under \$5,600 in America. The Light-Six more than any competitive car within \$1,000 of its price.

We use genuine leather upholstery.

We use Chase-Mohair for the closed car upholstery. Some good upholstery would cost \$100 less.

To curb vibration, we machine all surfaces of crank shafts, as was done in Liberty Airplane Motors. Very few cars do that.

How such prices?

How can we give such extra values—yet sell at our low prices?

Because these values brought us buyers—145,000 last year. The major extra costs are divided by enormous output.

Let us show you the extras you get, because of these matchless facilities.

Learn Why 145,162 Bought Studebakers in 1923.

Studebakers hold the top place in the fine car field today.

In 1919, the public paid over \$80,000,000 for 39,356 Studebaker cars.

In 1920, the public paid over \$100,000,000 for 51,474 Studebaker cars, an increase of 31% over 1919.

In 1921, the public paid over \$120,000,000 for 66,643 Studebaker cars, an increase of 29% over 1920.

In 1922, the public paid over \$155,000,000 for 110,269 Studebaker cars, an increase of 66% over 1921.

In 1923, the public paid over \$201,000,000 for 145,162 Studebaker cars, an increase of 32% over 1922.

In 1924, business has opened with Studebaker as never before.

Learn why all these buyers preferred Studebakers.

GEM THEATRE

Whoop'er up! The two-gun man
is back! As quick on the draw as
ever, and ready to thrill you, as only
Bill Hart knows how! It's a triumph-
ant return for the daddy of western
thrillers and one you don't want to
miss. Bill Hart in "Wild Bill Hickok"
at the Gem Saturday. Lillian Gish as
the girl tricked out of her fortune;
her own lover sought by her scheming
half sister. A fight on the desert in
Algeria. Vesuvius belching lava in
actual eruption. A whole town flood-
ed by a bursting dam. Thrills!
Thrills! You'll get the thrill of your
life when you see "The White Sister"
at the Gem Sunday and Monday.

I'll drain life of the last drop of
love! That's what she told her phy-
sician and friend and he warned her
"Yes, and you will pay physically and
mentally. You can't stand the pace."
But when you see your daughters go-
ing the same same pace as they surely
will, as they have already started, you

will pay again! What happens? That's
what thrills you in "Flaming Youth"
at the Gem Tuesday and Wednesday.

WEYMOUTH LEGION AUXILIARY

On Monday the supper committee
had a meeting and planned for the
"Drive" supper on Feb. 21. It was
decided to ask each member for fifty
cents as this would allow the buying
of food instead of the collecting from
different members. Our members are
so widely scattered over the town that
the gathering in of pies and cakes and
other good things is a difficult propo-
sition for any committee.

On Tuesday, Mrs. Leonard carried
in to West Roxbury hospital Mrs. Draper,
chairman of welfare, and members
of her committee to distribute the
goodies sent in by children of Wash-
ington School. They gave generously
of oranges, apples, grape fruit, gum,
candies, and jellies, and the Legion
boys always send "smokes."

The women found many boys were
having an afternoon at the theaters
but those who were left were de-
pressed and unresponsive and those in
Curtis building, where the worst cases
are confined, were in such a condition
no one was allowed to visit them.
They had their share of good things
though, for a big basket was packed
and sent to them. There was also
left a share of good things for the boys
who were away and the jelly is always
for the boys who are ill. Is every-
body working? Good!

DAUGHTERS OF VETERANS

There will be a whist party at the
home of the president, Mrs. Amelia

at noon.

The Editor's Twins Now One Year Old

(Photo taken at five months)

Last Saturday, Feb. 9, the twin daughters of Mr. and Mrs. Carl F. Prescott of the Gazette-Transcript were one year old. Many have expressed a desire to hear about them occasionally in public print, and parents and grandparents are pleased at the interest which has been taken.

Steadily week by week both have flourished and gained in weight, each now weighing about twenty pounds. We were about to remark that they had not had a day's sickness during the first year, but both have this week developed a cold; a doctor was called for the first time and they are improving.

From birth at the Weymouth Hospital, Dorothy has been known as "Little Sister", because she weighed nearly a pound less, but she has gained faster, although never as heavy as Elisabeth. Dorothy was the first to get a tooth, and the first to get upon her feet.

Elisabeth seems to be more thoughtful and serious. She knows what "No, No!" means and of late has usually burst into tears at hearing the words. Dorothy is more roguish and persistent.

GIRL SCOUTS

Hardly a week goes by, but there is some sort of activity at Cedar hill, the home of the Girl Scouts at Waltham. To take part in this activity is a great privilege for any girl. On February 22 and 23 there is to be a winter carnival there to which all Scouts, their parents and friends are invited. Would not Saturday, Feb. 23, be a good time for anyone interested in Scouting to visit Cedar hill and take as many of the Girl Scouts from South Weymouth as possible, going by auto of course. We want to make it possible for as many girls as wish to go out there that day to go. You will find inspiration in seeing these earnest girls gathered together at their headquarters. Anyone who will go, please telephoned Estelle B. Metcalf, 203 Union street, Weymouth 1325M before Feb. 19.

On Washington's Birthday the Girl Scouts are invited to attend the Governor's reception at the State House. A group will go from South Weymouth and it is to be hoped that this trip also can be made by auto and the girls pay what would be their railroad fare toward the expenses of the trip.

Troop 4, South Weymouth, is making plans for a minstrel show and dance to be held the latter part of April. This is to raise money for camping expenses. It often happens that when the camping season arrives there is not sufficient money in the treasury to pay the necessary expenses so that only those whose parents can advance the money can take advantage of this great opportunity. It is hoped that this troop can earn enough money before then to invite every girl who wishes to go.

Friday, Feb. 15, the basketball teams of Troop 4, South Weymouth will play two teams from South Braintree at the Howe school on Torrey street.

There is to be a junior troop of Girl Scouts formed in South Weymouth. These will be girls of 10 to 14 years although there will be no real age limit. It is hoped that Miss Ruth Gebhart, recently from a troop in Everett, will take charge of this troop. All girls of this age who are interested in becoming Scouts send a card or notify Estelle B. Metcalf, 203 Union street, telephone 1325M.

DANGERS OF A COLD

Weymouth People Will Do Well to Heed Them

Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness, and disordered kidney action follow. Don't neglect a cold. Use Doan's Pills at the first sign of kidney trouble. Follow this Weymouth resident's example:

Mrs. M. McCartney, 46 Granite street, says: "Some time ago while living in Scotland, I was troubled with my kidneys, caused by a cold which settled in them. My kidneys felt dull and heavy and they acted too frequently. My back was lame and I had a constant nagging pain in the small of it which bothered me mornings when I got up. A friend told me of Doan's Pills so I got a box and they soon relieved the trouble. After using a few more boxes of Doan's the pains left and I was completely cured."

WHO IS "LIZZIE"?

Editor Gazette-Transcript:
Someone evidently "has the number" of some of the Gazette force. The serenity of the office was considerably upset Wednesday morning when the mail brought five envelopes postmarked at Providence, R. I. They contained five valentine cards! It is interesting to know what other folks think about you. The cards were signed, "Lizzie", but that only deepened the mystery.

The first guffaw was raised when one was seen and read. The endearing sentence, "O you cabbage head!" greeted the amazed eyes of a dignified type slinger.

Even our veteran, good-natured compositor, who has been ferreting out wrong fonts for so many, many years, was not overlooked. It is not generally known, but this venerable printer rolls to work every morning in his Rolls-Royce. The "war workers" at Fore River shipyard had nothing on him. "Lizzie" must have known of his affluence. The card read, "Are you rolling in Dough?"

The face of the best looking chap among us went blank when "Lizzie" put over the third strike, "You poor prune!"

The smile faded from the fourth victim of "Lizzie's" poisoned arrows, "Why be a crab?" said the mute testimony of her esteem.

"Lizzie" must have got the cards mixed because the smartest man got stung to the quick with, "You big Dumbell!"

Each card was a symbol of the meaning our mutual friend wished to convey.

A reward of a cancelled check on a Chinese laundry is offered by the writer as an inducement to readers to come forward with any facts they may have in their possession regarding this mysterious vampire. We have the word of the editor-in-chief that pitiless publicity will be the punishment meted out to "Lizzie!"

ODD FELLOWS LEAGUE
Standish lodge of Rockland is leading in the Odd Fellows league with Willey lodge of South Weymouth second and Crescent lodge in the cellar. Standish has won 44 points and lost 19, while Willey has won 36 and lost 27. Puritan, Winthrop, Old Colony and Crescent are closely bunched.

The Soan-get-a-ha Camp Fire girls held their weekly meeting at the home of Miss Evelyn Price. After the business they made valentines for the children in the County hospital, Braintree Highlands.

HIGH SCHOOL COLUMN

—The pupils for the past week have been "enjoying" their midyear exams.

—Mrs. Wallace Halsey of Kansas (Marion Bullock), a past graduate of W. H. S., was renewing old acquaintances Tuesday.

—Miss Marjorie Belcher of '26 will leave next week for Florida where she will stay until May.

—Edward Calahan, '23, has been visiting friends in town during the past week. He makes his home in Maine.

—Weymouth has adopted the "Eight Week System" and the schools throughout the town will be granted a vacation the coming week.

—The cooking room in the annex is being occupied by the girls of the cooking class.

—Weymouth High basketball team keeps up the good work. During the past week the High school team defeated the Abington and Medford High school teams.

—Last Friday the team accompanied by a bus load of rooters journeyed to Abington and in a fast game defeated the Old Towners 22-17. At the end of the first half Abington led 11-5, but by splendid work our boys came back with a score tied at 17. In the five minutes overtime, Craig's wonderful shots and speedy work of his mates added five more points for Weymouth. The summary:

BRAINTREE POINT

—There was a business meeting of the Braintree Point Welfare club on Monday evening. Twenty-nine members of the joint entertainment committee of the Braintree Point Women's and the Braintree Point Welfare clubs sat down to a covered dish supper at 6.45. After the supper the chairman, H. L. Boles, called the meeting to order. Mr. Boles reported favorably on the sale of tickets for the Washington's Birthday dancing party.

Mr. Boles also reported the regular weekly whist parties which are being held every Friday evening. Prizes are awarded weekly for the highest ladies' and gentlemen's scores, the second highest ladies' and gentlemen's score and a booby prize for the lowest score. At the end of the series, April 4, prizes will be awarded for the highest total ladies' score and the highest total gentlemen's score for the entire series. To date Mrs. Brock has the highest total score for the ladies and Mr. Kelsey has the highest total score for the gentlemen.

In behalf of the committee Mr. Boles extends a cordial invitation to the residents of Weymouth and Braintree who are interested in whist to attend these parties and enjoy a sociable evening.

—This committee voted to hold a dancing party on the night of St. Patrick's day, March 17. The committee also has in preparation a play to be given by the young people of the community.

It is planned to hold a series of spring and summer dances beginning Patriot's day, April 19. DeNeil's orchestra has been selected to play at all these dances. An intensive advertising campaign is planned by this committee to acquaint the residents of Weymouth and Braintree with the activities that are planned for the coming season.

—It is also planned to have the regular monthly suppers for the members of both the Braintree Point Women's club and the Braintree Point Welfare club combined.

MONTHLY MEETING

The regular monthly meeting of the Braintree Point Women's club and the Braintree Point Welfare club was held Wednesday evening with President F. H. Ellis in the chair. The regular order of business followed, after which the members adjourned to the lower hall, where a lunch was served by the lady members of the entertainment committee. A very enjoyable evening was spent by everyone attending. On Feb. 21, there will be a regular meeting of the executive committee of this club. The chairman is specially asking that all members attend as important business is expected to come up at this meeting.

Why Is Weymouth

An Exception?

The warrant for the Annual Town Meeting closed Jan. 15, a full month ago, an unusually early date. Have you had an opportunity to read it?

The Appropriation Committee has already held one meeting to hear arguments in support of and in opposition to articles and will close their hearings tonight. These hearings offer the only opportunity for voters to express their opinions, since the Limited Town Meeting system was adopted. Did you know, Mr. Voter, what articles were in the warrant?

In Braintree, Milton and Dedham; in Hingham, Rockland and Plymouth, ALL town meeting warrants are advertised in the town papers. Why not in Weymouth?

The Annual Town Reports are often late in delivery. Why take a chance? To print the warrants in all the papers in a town would cost less than one cent per taxpayer. Why don't they insist on publicity, rather than secrecy?

Weymouth is the taxpayers town and the home papers are the taxpayers' papers. Should they not be encouraged as a medium of publicity?

Do you want the home papers to print the warrants FREE, when in other towns payment is made? Is it economical, or progressive or a square deal?

In the interest of good government, and to be of service to the many voters, those most interested in the management of the town government, the Gazette-Transcript makes an exception and at the same time a gift to them, printing the articles in the Annual Town Warrant for 1924 FREE of charge, sufficiently ahead of time to let the majority know what the articles are, who otherwise must stand in a store or in the cold weather outside to read them. (The old fashioned way).

BATES OPERA HOUSE

An exceptional treat will be offered to dance lovers Wednesday evening in Bates Opera House when as a part of the evening dance program, the McEnelly Orchestra of Springfield will play its complete program that was offered in Keith's Theater, Boston, the week of Dec. 17, where the orchestra appeared for its second consecutive year as the headline vaudeville attraction of the holiday season.

BATES OPERA HOUSE

The popularity of the program given each Saturday afternoon and evening at the Bates Opera House is such that the ever increasing attendance justifies the management in offering bigger and better entertainments.

The matinee performances are a delight to the children; the management presents the little ones with appropriate gifts, which not only gladdens their little hearts but touches a tender chord in grown-ups, for who is not happy when children are. The picture program for Saturday consists of two special features.

In order that the ever increasing attendance of dance lovers is given full measure of entertainment, the management of Bates Opera House has increased the number of musicians from five to seven artists. Last Saturday was the first that this enlarged orchestra made its appearance and so manifest was the enthusiastic comments that this organization is to be permanent. In addition to this high class team, there is a motion picture program of unusual merit for Saturday.

BATES OPERA HOUSE

Y—ow Gang! Member the old battle cry—"Powder River!" Let's Go! the whoop that put the fear into these Heinies when we were told to "Go get 'em." Member the creepy feeling that ran up and down your spine, when you were standing knee deep in slop, in those old front line trenches between 4 and 5 a. m., waiting for the word "Let's Go!" When one minute you were hot, and the next minute freezing, you went through your pockets to find a crummy piece of hardback to chew, to keep your teeth from chattering.

Well, fellows, we are bringing "Powder River" to the Bates Opera House on Sunday, Monday and Tuesday, Feb. 17, 18, 19, especially so that you can recall those old days in France, and bring your mother, brother, sister, sweetheart, father, or wife, and show them just what you wanted to tell them—but couldn't. There will be two shows daily—afternoon and evening.

NEW QUINCY THEATRE

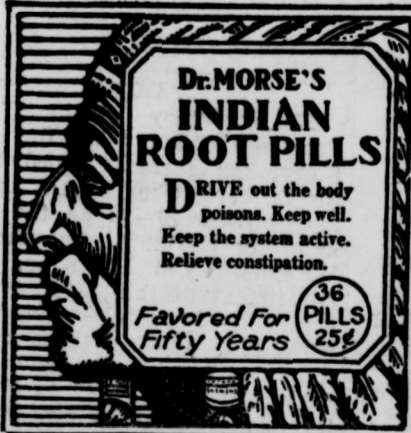

In "The Common Law," the screen version of the novel by the well known author, R. W. Chambers, which opens a three days engagement at the Quincy theatre on Monday, an old problem is presented in a new way—the problem which often occurs in the life of wealthy young men of whether to choose love or fortune. Beautiful Corrine Griffith in the role of Valerie West, an artist's model, and Conway Tearle, as her employer, are deeply in love with each other, but Conway's screen parents strenuously object to the marriage and are planning to force their son to marry a cold blooded society girl whom he does not love and in this way enable him to climb the social ladder.

The popular Elliott Dexter also has a prominent role in the cast, that of Querida, another artist.

QUINCY MUSIC HALL

Manager Taylor of the Quincy Music Hall is so well pleased with the reception of "The White Sister" that he has arranged for others of the big Metro pictures as fast as they are produced, and announces for six days beginning next Sunday afternoon and evening one of the most famous of all, Rex Ingram's production of "Scaramouche," the reproduction of Rafael Sabatini's great story of love and life in the exciting days of the French Revolution. It is a swiftly moving story, with throbs and thrills and tears and laughter, romance and realism, beautiful costumes and vivid scenic effects. The sale of seats is now in progress, and reservations may be made by telephoning Granite 5203.

The advertisement of the Quincy Music hall covering the photoplay production "The White Sister" which appeared in last week's issue of this newspaper to the effect that "The White Sister" would not be exhibited in this vicinity except at the Quincy Music hall was an error as the exhibition of this photoplay production will not be restricted to Quincy.

WEYMOUTH, FEBRUARY 15, 1924

SOUTH WEYMOUTH CANDIDATES
There is considerable interest in the contest for the Republican nomination for Selectman from South Weymouth. Friends of the different candidates are already soliciting votes for the ward caucus to be held Feb. 19.

Fred E. Waite of 277 Randolph street and A. Spencer Marsh of Union street are so far the only candidates who have openly announced their intention of seeking the office. The names of Joseph Taylor and Dr. Bertha C. Guild are being put forward by friends.

Mr. Marsh has been long and favorably known to the people of South Weymouth. For many years he conducted a livery and teaming business in Columbian Square, recently disposing of the property where the new bank block is located. His time has been occupied of late with his many real estate transactions. Mr. Marsh is married and has two grown children. With Mrs. Marsh he now occupies a fine new home just a few steps from Columbian Square. His many friends feel that Mr. Marsh will bring to the office of Selectman many capabilities that fit him for the position.

Fred E. Waite of Randolph street, the other avowed candidate, has been a resident of South Weymouth for a dozen years, coming here from Cambridge where he was born in 1877. He attended the public schools of that city and Rindge Technical school where he was prominent as an athlete.

Mr. Waite played ball with Dover, N. H., in the old New England circuit going from there to Montreal in the international league. Later he managed several successful semi-professional teams in his native city; among them the Auburns, champions of the Suburban league. The Fairviews and the White Sox of South Weymouth were both managed and coached by Fred, who has always shown, not only a healthy interest in amateur sport, but also a willingness to get out and work to make it successful.

Mr. Waite has been president of the Weymouth Football Association until this year when his business affairs prevented his accepting the office again. Fred is associated with Wingate and Brown, real estate, of Boston, in promoting their developments in Weymouth.

His many friends are actively supporting his campaign believing that it is for the best interests of the town that Ward 5 be represented by a wide-awake, aggressive business man of Mr. Waite's type.

CHAUTAUQUA FOR 1924

The secretary of the Weymouth-Braintree Chautauqua, Rev. Earl E. Story, has received word from the Swarthmore Chautauqua Association giving Aug. 16-22 as the tentative dates for the 1924 Chautauqua for Weymouth and Braintree. A later adjustment of this date may be necessary, but it probably would not vary more than two or three days from the one given. In the same letter assurance was conveyed to the guarantors that this year's program far exceeds that of last year. A most enjoyable week is promised by the Association.

Mr. Story has also received word that Weymouth-Braintree has been awarded the Junior Chautauqua banner for 1923. It is good news that out of 450 towns competing for these banners Weymouth-Braintree was one of the winners. The large banner with the words "Banner Town, Junior Chautauqua 1923" Weymouth-Braintree" inscribed upon it is in the hands of the secretary and will be presented to the Junior Chautauqua organization at their next meeting.

TEACHERS CLUB SUPPER

The Teachers Club of the Union church of Weymouth and Braintree held their regular monthly supper on Wednesday evening in the church dining room. Thirty members and guests attended. A very delicious supper was served by a committee of the younger teachers.

Mrs. Joseph Atwill, chairman of legislation, of the State Federation, discussed the bills on "Child Labor", "Licensing Midwives" and "Immigration" now pending. Mrs. Marion K. Whitmore in costume gave a group of old-fashioned and Italian songs, accompanied by Miss Beth Charlton on the piano. Tea was served by the hospitality committee. Mrs. Elmer Thayer chairman. COSTUME PARTY

The Union church of Weymouth and Braintree was the scene of much fun and merriment last Friday evening as the Young People's Social Union held their first costume party and dance in the church dining room.

The large number and variety of costumes were very pleasing and picturesque. Some of the costumes carried one back to prominent figures of a generation ago while others were quite serious and dignified in effect. Most of them showed a great deal of thought and attention in their makeup.

The grand march was held at 9.45 and was very much enjoyed by all. The costumes were then judged for appearance and originality and prizes were awarded for the two best costumes on the floor.

A special feature of the evening was the good music furnished by Howard Richards' orchestra.

Various other prizes were awarded later in the evening as part of the entertainment.

Some of the best costumes on the floor during the evening were worn by the following:

Miss Lois Moulton, Old Colonial costume

Miss Eloise Stevens, Martha Washington

Mrs. Clarence Rich, Japanese costume

Mrs. Moise Rauleau, Japanese costume

Miss Dorothy Smith, Gypsy

Miss Barbara Mosher, Gypsy

Miss Hazel Orr, trained nurse

Mrs. Philip R. Cook, little girl

Miss Doris Collier, domino

Miss Virginia Oliver, Old Colonial costume

Miss Benson, domino

Mrs. Barbara Mosher, dancing girl

Miss Anna Andrews, dancing girl

Mr. Edwin Rich, Turkish scholar

Mr. George White, Turkish scholar

Mr. Winslow King, "Brigadier General" from the Civil War.

Mr. Eliot Thayer, 26th Division, World War

Mr. Hart Chonton, dude

Mr. "Bert" Curtiss, clown

Mr. H. M. Summers, college professor.

The prize for the best lady's costume was won by Martha Washington, Eloise Stevens.

The prize for the best gentleman's costume was won by "Brigadier General" Winslow King.

The judges were, Mr. J. Caleb Justice, Mr. Philip R. Cook, and Mr. Herbert Poore.

The matrons for the evening were, Mrs. J. Caleb Justice and Mrs. George D. Bullock.

The refreshments which were unusually delicious were served by the refreshment committee, Miss Barbara Senior, chairman, and assistants.

Much credit is due the volunteer decoration committee, as well as the one member of the regular who spent a great deal of time to make the room so attractive and colorful.

This party was one of a series of monthly dances to be given by the Union for the rest of the season. Those who enjoyed themselves that evening can look forward to having other socials equally as entertaining.

More than 200 members and guests of Delphi lodge 15, Knights of Pythias, including the three surviving charter members, Darius Smith, Reuben Tirrell and James T. Whitmore, soprano; Eunice A. Scriven, violinist; Beth Charlton, pianist, and Bertha Morgan, reader. A dance followed.

The committee in charge was Lawrence E. Pray, Christopher Wade, Russell E. Dexheimer, Franklin P. Whitte, Frank A. Pray, Elmer H. Goodspeed, B. F. Johnson, John Carter, Everett J. McIntosh and Lester Tisdale.

NINETY YEARS OLD

Mrs. Mary Louise White, widow of the late Doric White, was 90 years old Tuesday, Feb. 19, and the event was celebrated by a family gathering at the residence of Mrs. Elmer E. Alexander on Bellevue road, East Braintree, where she had made her home for several years. Guests were set Pier, R. I. The center of attraction was the three-decker birthday cake illuminated by 90 candles.

Mrs. White was born in Montreal, Canada, and after her marriage came to this town to reside. Her husband manufactured boots for several years and later established the Wessagusset hotel, which they conducted for nearly half a century. Mr. White died about twenty years ago and Mrs. White continued to run the hotel up to a few years ago. Notwithstanding her advanced years she enjoys excellent health. At the celebration were present her six sons and daughters, 24 grandchildren and 16 great-grandchildren. Mrs. White had fifteen children, those living are Edmund P. and William White of this town, Dr. Charles White of Narragansett Pier, R. I., Mrs. Lena Shaw, Mrs. Clarice Holgate and Mrs. Oliver Rand.

S. OF V. AUXILIARY

Auxiliary 31, S. of V., has sustained a great loss in the death of their oldest member, Mrs. Margaret Culley, who passed away Feb. 16. She will be greatly missed by her many friends of the Auxiliary, and they sincerely sympathize with her family in their bereavement.

Patriotic Instructor Mrs. Nettie Steeves has the sympathy of Auxiliary 31 in the loss of her mother, who passed away recently.

The members of Auxiliary 31 are pleased to hear that P. P. Carrie Pratt, who has been sick for the past few weeks, is improving and on the road to recovery.

GIRL SCOUTS

Last Friday the South Weymouth Girl Scouts met Troop 1 of Thayer Academy Scouts for a basketball game at the Scouts room, old Howe school. The score was South Weymouth 32, Thayer 28. The game was close and exciting. At the end of the first half the score was a tie. At the close of the game the home team led by only two baskets.

The strength of the Thayer troop was their fine team work, while the home team led in basket throwing.

A fine spirit of rivalry was developed and arrangements were made for a second game at Thayer in three weeks. Mrs. Southworth, captain, accompanied her troop. Mrs. Wieting, member of the Scout committee, who has Scout daughters, joins Mrs. Metcalf, captain of the South Weymouth Girl Scouts, for an interesting day of study and observation at the Natural History Rooms, Boston, with as many girls as choose to go.

The Brown and White Patrol is planning a birthday surprise party for Edith Metcalf, one of their number, at the home of Mrs. Harold Baker on Union street on Thursday evening this week. The committee for the Girl Scouts met with Mrs. Prince Tirrell.

Travel Letters of Weymouth People

OUR TRIP TO FLORIDA

Editor Gazette-Transcript:
(By Lizzie M. Hanscom)

We left our home on Pond street, South Weymouth, at 10.15 A. M. Saturday, Nov. 17. A beautiful November day, almost like summer, it was so warm. Mr. and Mrs. Carpenter, my daughter, husband and myself, in one of the old seven passenger Packard touring cars, belonging to Mr. Carpenter.

Our car was packed with suitcases, boxes and bags, making us look like real tourists, even the running board being loaded. Although we had so much luggage, owing to the size of the car we had plenty of room. Everyone thought we would be cold, so we dressed very warmly and had a fur robe. It was not long before we were glad to take off our sweaters.

Our first stop after leaving South Weymouth was at the Packard place in Boston, for some spark plugs for use if needed, our car being so old a make, we thought it better to take plenty with us as it might be hard to get them elsewhere. From there we went to Greenwich, where we stopped at a roadside booth, to get some coffee and eat our lunch, which we had brought from home. Then on to Hartford, Conn., where we stopped for the night at a hotel. We saw the capitol as we rode along, but did not do any sightseeing otherwise.

The next day, Sunday, we went on our way, going through the Bronx, New York, crossing the Dykeman street ferry, up over the Palisades. It is some climb up to the top, and made you wonder, as you wound a round the cliff's, and looked down the side of the palisade what would be the result if your car met with an accident. However everything went well; we reached the top and went on our way to Newark, N. J., where we stopped for the night. As it was dark, and we were tired and hungry we did not look around, but stopped at the first hotel which was a rather poor one. After cleaning up and getting supper, or rather dinner, we were glad to go to bed. The weather so far, being very warm and pleasant.

Monday after breakfast we left Newark. Had lunch in Philadelphia, of which city we saw considerable as we rode through. For a long way we rode through what seemed to be a park, a winding road around the foot of a hill every little way part way on the side of the hill was a bronze statue. There were no signs and we did not see anyone to ask, where we were. As we did not want to waste time did not try to find out, but it was very pretty there.

Continued on to Oxford, Penn., and stopped there for the night, had a very good hotel, the manager doing all he could to make our stay pleasant. Everyone seemed to feel at home there. Oxford, while not a large place has a number of good stores and several churches. We attended a service at one of the churches given by the men's class. The speaker spoke on the temperance question, or rather told why we should keep the law in regard to prohibition, giving a very good address to a crowded house.

Tuesday after breakfast we left Oxford and arrived in Washington, D. C., in time for a late lunch. Decided to stop there, so went out to see the city. The hotel where we stopped was about half way between the capitol and the White House, as we saw the capitol as we went into the city, decided to go and see the White House, which we soon found, also saw many other public buildings and places of interest. In the evening we went up around the capitol and over to the Congressional Library. Could not go into the capitol, but did enter the Library building. We could not go in where the books were, unless we wished to read, but could go upstairs in a balcony, where we could look down and see the interior of the building. We were very much interested in all that we saw, and sorry we could not stay much longer in Washington, and especially sorry, not to have had time to go to Mount Vernon, but we were anxious to get to Florida. As Washington is such a busy place, both night and day we did not get much sleep. Here we saw the Colored people not being allowed to ride in the same part of the car with the Whites, or eat in the same eating places, and it did seem queer when we began to see the two places in the railroad stations—one for Whites and one for Colored. Did not always remember to look before we went in to see which room to enter, but of course have got used to it by now. From this place on we began to see roses in bloom out of doors every day as well as other flowers.

THE WORLD'S IN THE PAPER

"Is there anything in the paper, Sir?"

"Anything in the paper! All the world is in the paper. Why, madam, if you will but read what is written in The Times of this very day, it is enough for a year's history and ten times as much meditation."

This bit of dialogue from one of Thackeray's novels emphasizes a truth which people today perhaps are too likely to overlook. Blanket criticisms of newspapers have become so common that the great service they render is likely to be lost sight of.

It is true that all the world is in the newspaper every day. The whole world is combed for happenings which will interest and instruct the readers of the newspaper.

Thackeray's statement is as true of the country newspaper as it is of the metropolitan sheet. The world, however, as a matter of fact, the average small country newspaper covers ever, in this case becomes the community territory much more intensively and accurately than it is possible for the larger paper to cover its field.

TRAVEL LETTERS—NO. 1

From South Weymouth, Massachusetts, U. S. A., to Puerto Castilla, Honduras, C. A.

(By Mrs. Gertrude C. Andrews)

Dear Folks at Home:

On Friday, November 30, 1923, we (Katherine, Newcomb and I) left South Weymouth for "parts unknown"; at least, that is the way I felt about it. Leaving makes an impression. I hate to admit it even as I hate to admit that anything disturbs me much, but in the rush and confusion of getting away, I probably managed to conceal just how I did feel. But as I have frequently said, the best thing about going away is, —coming home again.

With the aid of my neighbors I was breakfasted, transported and most efficiently started. That is one thing about Nash's Corner that to me (having lived half my life in the city) has made a tremendous impression,—its friendliness.

Our train left for New York at 10 o'clock and arriving in the South Station at a quarter to the hour did not leave us a great deal of time for good-bye's. My good natured brother-in-law was walking around in circles waiting for us and thinking that we were not going to make it and other things; but he should have known me better. I never missed a train in my life. Of course I ought to rap on wood; but at least I shall not have to worry about it here. Anyhow we got ourselves comfortably stowed away and settled down for the five and one-half hours that had to be endured from Boston to New York.

There was nothing particularly eventful about it. To me it does not matter how many times I have been along the Sound before, I am ever interested in looking out of the window; and to the children it was all new—so, until the darkness and rain settled down upon us, we gazed and gazed.

It was good to get there, and 5 o'clock found us in the biggest metropolis in the world and agreeably domiciled at the Commodore for the night. After dinner we spent a scant twenty minutes viewing the bright lights—for we were tired—we unearthed our baggage at the Grand Central, and when curfew tolled it's nine (in Quincy) we were miles away in dreamland.

Saturday morning saw the Andrews family abroad early. We wanted breakfast. We wanted to look around a bit and the East River and Pier 16 were at the other end of the town, and the Limon was scheduled to sail at 10 A. M. We arrived in due season, were properly checked up and gotten aboard. I forgot to say that besides a large suitcase we had a travelling bag, a Boston bag crammed with school books and my typewriter (personal luggage) and one or two packages I had acquired en route.

It was really nice to get somewhere and know that I was going to stay put thirteen or fourteen days. But we had no need of hurrying as the Limon at the last minute was taking on iron girders for a mine in Guatemala and after timing the process of getting just one aboard I settled down to loaf the hours away as best I could. Having arrived, nothing on earth could tempt me off the ship again. The waterfront of New York is just as well viewed from a boat's upper deck as it is on foot. Others more acquainted and less encumbered than myself disappeared until after lunch; but we had lunch on board, read awhile, watched awhile and at 4.30 anchors were lifted; two puffing tugs hauled us out in the stream—and we were off. "Liberty," glorified by a setting sun, was practically the last thing that we were able to see. After dinner, coats, sweaters and caps were indeed most comfortable for the half hour we wished to spend before turning in for the night.

A Business Story

Rich in meaning to every motor car buyer

How Studebaker reached the heights

THE story of Studebaker has been told by many men in many ways. Now let us tell it to you.

Studebaker growth has in late years been Motordom's sensation. Sales have mounted until last year 145,000 buyers of quality cars selected Studebakers. They paid over \$200,000,000 for them.

All must realize that a new situation has arisen in high-grade cars. You who are interested should now analyze the reasons.

72-year traditions

The Studebaker principles have become traditions in their 72 years of existence. They have never wavered. In all changing conditions they have brought new luster to that name.

Men come and go, but a name like this becomes a heritage to foster and enhance. That's what we've done — we who have that name in keeping for a time.

* * *

Studebaker has always been a leader. For two generations it led in horse-drawn vehicles, now products of the past.

Most of you remember Studebaker carriages — queens of their time. They were used by multitudes of people who loved quality and style.

When motor cars succeeded them, Studebaker became the logical leader in that field. Any other place would have been an anomaly.

The only way to the top

A concern of this age has one fact ingrained in its fiber. The only way to leadership is through super-service.

The leader must excel in all you seek — in quality, in beauty and in value. There is no other way to the top. Every stretch of the road is strewn with wrecks of those who tried another.

What others say — not what you say — determines your place in the long run. In every field of endeavor one must accept that fact.

We had the money, the plants, the prestige. We had the incentive of Studebaker traditions. In time we secured the men.

We told those men to build for us the utmost in fine motor cars, regardless of all costs. We pledged them our good faith and our resources.

The cost was \$50,000,000

We built new factories — modern plants. We fitted them with new equipment — 12,500 up-to-date machines.

Find Out Why

People paid over \$200,000,000 last year for Studebaker cars.

The result is now a demand for 150,000 per year.

Over \$50,000,000 in modern plants and equipment to build the finest of fine cars.

One of these cars, built in 1918, has run 475,000 miles. That means 80 years of ordinary service. In December this car made the trip from coast to coast.

Of the \$50,000,000 in our plants and equipment, \$32,000,000 has been invested in the past five years. So it represents the last word in efficient manufacture.

We established a Department of Methods and Standards, to fix for every Studebaker detail the maximum of quality.

We created a Bureau of Research and Experiment, employing 125 skilled men. They make 500,000 tests per year to maintain our supremacy.

They fixed countless standards, including 35 separate formulas for steels. Then on the most important steels we offered makers a bonus of

15% to conform to those standards exactly.

We invested \$3,000,000 in a drop forge plant to make all our own drop forgings. \$10,000,000 in body plants, to build all bodies to our standards.

We employed 1,200 skilled inspectors to see that all standards were fulfilled. There are 30,000 inspections on Studebaker cars during manufacture, before they go out from the factory.

That's the whole story

That's about the whole story. We simply followed the never-changing Studebaker principles. We gave to our buyers the utmost — values they could not match. Then they turned by tens of thousands to Studebaker cars.

Over 750,000 of those cars have gone out. Their performance has developed a demand for 150,000 per year.

Every increase in sales brought a lowered cost, which we promptly gave our buyers. Today these fine cars are offering values which no rival can approach. They have made us the world's largest builders of quality cars.

We deserve a hearing

Now we deserve a hearing. All who consider a car at \$1,000 or over should learn what Studebaker offers. That in fairness to yourself and us. Check one by one the advantages we offer. You'll find them by the score.

Remember that 145,000 who did that last year chose a Studebaker car. There are nine chances in ten that you'll do it.

Consider our record, our accomplishments, our policies and principles. Consider that we have \$90,000,000 at stake on satisfying men like you. Don't buy a car in this high-grade class without seeing what we give.

MONDAY CLUB

An extension of dramatic activities has been in the program of the Monday Club this year, and the afternoon of dramatics held last Monday was a decided success. The program consisted of two one-act plays. Both were clever and amusing and the characters were played exceedingly well. Both portrayed situations which might easily arise in any typical American home and undoubtedly most of the members present sympathized with the housewife of the second play harassed by the hundred and one interruptions. Later a more ambitious play, which is already in preparation will be given for the general public, but this "afternoon of dramatics" was a most satisfying and worthwhile meeting.

BOY! PAGE NICK QUAD!

Weymouth Gazette,

East Weymouth, Mass.

Dear Nick:

Weymouth is now represented in
both football and basketball by teams
that are receiving considerable recog-
nition and the sport followers seem
to be wondering what the drawback
is in a representative baseball nine.
Is it because there is no competent
manager? Is it because the town
lacks a satisfactory athletic field? Is
it because it is more expensive to
run a baseball team than either of
the other two sports mentioned? Or
is it evident that the town will not
support a representative baseball
club?

Is it not a fact that every town
that was represented in the basket-
ball and football league is represented
each year in baseball? Would it not
be possible to have a South Shore
or Old Colony League cover all the
sports?

The writer is of the opinion that
there are men in town that are not
past the stage where they would be
willing to devote a little of their time
to a baseball organization. Is the old
spirit that was in back of the Deweys,
Clapp memorial, and Steison Shoe
teams dead? Some of the spirit has
cropped up in certain sections of the
town, but why can't it be massed in
one body?

Would the Old Colony Driving club
co-operate with a representative ball
club at the Weymouth Fair Grounds?
Would the directors of the Clapp Mem-
orial Association be willing to
stretch a point and make some sort
of a membership fee that would allow
the use of the grounds to representa-
tive athletic teams, or was the gym-
nasium built for another purpose?
Would not the organization back of
the other two athletic teams be will-
ing to give their assistance to the
building of a fast baseball team in
Weymouth? If the business concerns
of other cities and towns are willing
to spend a little money towards mat-
ters of this kind, does it not stand to
reason that our merchants will help
in some way?

There is no question but what the
town can produce the athletes with-
out going outside, unless a satisfac-
tory battery is lacking. Nearly every
season when we scan the Boston
papers and those of other nearby
cities and towns we read of the boys
from Weymouth that are making good
with some college, prep school, or
semi-pro team. Why should they
have to show their ability out of
town?

Maybe some of the readers of the
paper can answer these questions.
Nick if you feel that you must "pass"
on them.

Respectfully yours,

SANDLOTTER

DANGERS OF A COLD Weymouth People Will Do Well to Heed Them

Many bad cases of kidney trouble result from a cold or chill. Congested kidneys fall behind in filtering the poison-laden blood and backache, headache, dizziness, and disordered kidney action follow. Don't neglect a cold. Use Doan's Pills at the first sign of kidney trouble. Follow this Weymouth resident's example:

Mrs. M. McCartney, 46 Granite street, says: "Some time ago while living in Scotland, I was troubled with my kidneys, caused by a cold which settled in them. My kidneys felt dull and heavy and they acted too frequently. My back was lame and I had a constant nagging pain in the small of it which bothered me mornings when I got up. A friend told me of Doan's Pills so I got a box and they soon relieved the trouble. After using a few more boxes of Doan's the pains left and I was completely cured."

AMERICAN
LEGION

Everything is all set for Weymouth Post's membership drive which starts Feb. 22 and lasts until March 1.

Our membership committee has been working nights and Sundays and a full report will be made at our get-together meeting tonight at G. A. R. hall.

The citizens committee has been of great assistance and reports that subscriptions for the building fund are coming in good. Already inquiries are being made by ex-service men regarding our Post and expressing the desire to join. It's going over big and we hope that if by any possible chance that there is an ex-service man in Weymouth not on our lists that he will not think that he was intentionally overlooked, but will avail himself of the opportunity and privilege by joining at once.

Any man who was in the service of the Army, Navy or Marine Corps during the World War between April 6, 1917, and Nov. 11, 1918, and can show an honorable discharge is eligible to membership in the American Legion. Initiation dues are \$2 and yearly membership dues \$2. Reinstatement of past members can be accomplished by paying last year's dues and present year's dues, a total of but \$4. What will a member get out of the Legion?

First—The satisfaction and honor of being associated with the largest, best and most influential ex-service men's organization in the United States, an organization which has the highest of patriotic ideals and the noblest of aims as set forth in that wonderful preamble of the American Legion's constitution.

Second—The satisfaction of being able to help some less fortunate buddy that is sick or needs assistance. Many a man crawled out into No Man's Land to drag a wounded comrade to safety and many ex-service men today need that help which all during the war were so willing to extend. Only through organizations such as the American Legion can this work be effectually accomplished. The American Legion has done more for the disabled veteran than any other organization and every bit of legislation passed for his benefit has emanated from the American Legion.

Third—The satisfaction of belonging to an organization that is working to end war, promote peace and uphold the constitution of the United States.

Fourth—The satisfaction of being known as a worker for community, state and nation without regard to political party, race or creed.

Fifth—The privilege to associate with ex-service men of the World War in an organization in which the buck private has the same standing as the general, all working to carry out the high ideals of the Legion.

Sixth—A chance to become better acquainted with men of your own community who experienced similar incidents during the World War and to help preserve those memories and to honor those who lost their lives for their country.

Seventh—The opportunity to enjoy the social activities that Legion Posts engage in, which are numerous and worth many times the amount of the yearly dues. There are many other benefits that the Legion extends such as aid in matters of obtaining compensation, vocational training and the securing of positions for members out of work.

Weymouth Post will soon have a home of its own for the local boys. Our best citizens are behind the movement and it will sure go through. But the project can best be helped by a large membership with everyone doing his bit. Don't forget our supper and meeting the auxiliary are putting on tonight. It's going to be a hum-dinger and a good time is promised to all. It will also be a fine chance to pay dues as there are a few among the missing.

Feb. 27 at Pogg's Opera House the motion picture "Silent Command" will be shown by the Legion's request and it is a picture that should be of special interest to all ex-service men.

KNIGHTS OF PYTHIAS
In the annals of Delphi lodge, K. of P., the ladies night held Tuesday will undoubtedly go down in history as one of the most successful affairs ever held, if not the very most successful one—and this was the sentiment of one of the members who had attended over twenty of these affairs. The entertainment was arranged by Franklin Whitten, and the supper was in charge of Frank Pray, assisted by a corps of able assistants. The splendid turkey supper was served in Lincoln hall, which was filled to capacity. The party then adjourned to Pythian hall where an exceptionally fine and varied program was given. Not unknown to Weymouth audiences were the artists, the trio "Concertantes" consisting of Marion K. Whitmore, soprano; Eunice A. Scriven, violinist; and Beth Charlton, pianist, assisted by Bertha Morgan, reader. For two hours these talented entertainers gave a great variety of numbers, including readings, anecdotes, violin and vocal solos, whistling solos, etc. After an appreciative audience had called for and received encore after encore, music was furnished by Howard Richards, traps, and Linwood Murphy, piano, for dancing, which was enjoyed until midnight.

—There was a total eclipse of the moon Wednesday night, but invisible in New England.

—Ash Wednesday March 5.

—"We need a slogan to end war," says a magazine writer. What about "Pay as you enter"?

—Two or three cold sandwiches and a still colder apple don't make much of an appeal in the youngster's lunch box; that's why the hot school lunch is growing in popularity.

GENTLEMEN'S NIGHT

One of the prettiest Valentine parties of the season was held in K. of C. hall Tuesday evening, the affair being gentlemen's night of Weymouth Circle, Daughters of Isabella. About 350 were present. The regent, Miss Elizabeth Fahie introduced the several artists who rendered a pleasing musical program. The program consisted of vocal solos by Mrs. Grace Cote and Miss Elizabeth Donovan. Readings by Miss Agnes Galligan, Miss Mildred Erwin and Miss Mary Loneragan. Solo dancing, Miss Catherine Gloster. After the musical program a valentine dancing party was held. Music was furnished by Miss Ellen Hall's orchestra of East Braintree. The hall was prettily decorated with hearts and streamers. Several valentine favor dances were carried out. During the evening refreshments were served in the lower hall by a large committee. Margaret E. Coyne was chairman.

Several out of town guests were present.

TILLSON—PERRY

A very pretty sunset wedding was solemnized at the home of Mr. and Mrs. Annie Hochstrasser, Main street, South Weymouth, on Thursday, Feb. 21, where her sister, Helen O. Perry, daughter of Mr. and Mrs. George E. Perry was united in marriage to Edgar E. Tillson, son of Mrs. Nellie Cox of Whitman. The ceremony was performed by Dr. Francis A. Poole, pastor of the Old South Union Congregational church of South Weymouth, beneath an arch of roses and evergreens. Mr. and Mrs. Hochstrasser stood up with them. Only the immediate families attended. The double ring service was used.

A chicken supper was served at 5.30 followed by a reception after which the bridal couple left for a short trip amidst a shower of confetti.

Miss Perry was bookkeeper for Frank W. Stewart, the hardware dealer in Weymouth Landing for ten years. She will continue with the new firm, Stewart's Hardware & Paint Company.

Mr. Tillson is employed at Atwood's box mill in Whitman.

Mr. and Mrs. Tillson received many beautiful presents including silver, cut glass, china and linen.

They will reside at their new home in Abington, 245 Walnut street.

GAS---It's Place in the Home

Has it ever occurred to you to think just what can be done with gas in a modern gas equipped home?

IN THE LAUNDRY by a turn of the faucet hot water is obtained from the gas heater for washing. The washing machine is kept hot with a gas burner, the clothes are dried and ironed with a gas heated dryer and ironing machine, the delicate work being done with a gas iron. Where desired a gas laundry stove may be used for boiling the clothes.

MUNICIPAL PARTY

Editor Gazette-Transcript:
Several voters have raised the ques-
tion as to what constitutes political
qualifications pertaining to party pri-
maries, caucuses, and elections.

The laws of Massachusetts make a
plain distinction between State and
Town primaries, caucuses and election
The law says "Political Party" shall
apply to a party which at the preced-
ing biennial state election polled for
Governor at least three (3) percent
of the entire vote cast in the common-
wealth for that office."

The law says "Municipal Party"
shall apply to a party, not a political
party as to State elections or State
primaries, which at the preceding
town election polled for a Selectman
at least three (3) percent of the entire
vote cast in the town for that office."

The Non-Partisan Party of Weymouth
is a "Municipal Party" acting only
on political matters pertaining to the
Town of Weymouth. It has no stand-
ing on political matters pertaining to
the State or Nation.

Again the law says "Voting or tak-
ing part in the caucuses of any muni-
cipal party by any voter shall not
affect his legal right to vote or to
take part in the caucuses of any polit-
ical party, for any other election."

The Non-Partisan party of Wey-
mouth believes that a political party,
as recognized in the larger fields of
National and State management, has
no place in the management of our
town affairs: that town matters call
for active interest on the part of all
citizens, regardless of party affilia-
tions. Because of the fact that some-
thing like FOUR THOUSAND of our
over six thousand voters do not vote;
civic pride warns that something
should be done to remedy such a
situation.

Many believe that the broad field
of Non-partisan action may stimulate
interest; may afford opportunity for
all citizens, regardless of party, to
secure by an intelligent vote, the
election of the best talent possible.

Respectfully,
THOMAS P. VAILLE.

MORE PUBLICITY

Editor Gazette-Transcript:
Your article in last week's issue,
"Why is Weymouth an exception?"
puts very plainly before our citizens
a very important fact viz: our great
need of publicity.

The town feels it in every avenue
of its many varied interests. It is a
lamentable fact that our Appropriation
Committee invites all interested pro
or con, in any article in the warrant
to meet them, at the same time know-
ing that the warrant is not made pub-
lic and at the best only those who
may have petitioned for something,
are likely to appear and urge their
wishes, a purely ex parte line of ac-
tion. In face of such facts what value
can safely be attached to their report?
The taxpayers do not begrudge the
cost of the highest degree of publicity,
but do chafe under the secrecy that
now prevails.

Respectfully,
THOMAS P. VAILLE

MRS. GEORGE MAYNARD

Mrs. George Maynard passed away
Sunday at the home of her son at
887 Pleasant street, East Weymouth.
Mrs. Maynard was 76 years old and
had passed all of her long life in
Weymouth. She is survived by seven
sons and daughters, and numerous
grandchildren; they are Arthur, with

whom she made her home; John E.,
formerly superintendent of streets;
Frank, George and Mrs. Jane Higgins
all of East Weymouth; Mrs. Abbie
Cowing of Weymouth, and Mrs. Nellie
Purchase of Wollaston. The funeral
was held from the home Wednesday
afternoon at 2.30.

MRS. ANDREW CULLEY

Many friends will miss Mrs. Andrew
Culley of Pratt avenue, North Wey-
mouth who passed away last Friday
after a short illness. She was born
in St. John, N. B., but for nearly fifty
years had been a resident of North
Weymouth.

She was much interested in the
Grand Army veterans, being the wife
of Past Commander Andrew Culley
of Reynolds Post, and herself a past
president of Reynolds Relief Corps.
She was also a member of the Sons
of Veterans Auxiliary, of Pilgrim
Circle of Pilgrim Congregational
church and of the King Cove Boat
club Auxiliary. On Feb. 6 she was
able to attend the annual roll call of
Pilgrim church, and was a regular
attendant at the W. R. C. meetings.

Funeral services were held from the
Pilgrim church on Monday afternoon
at 2 o'clock. They were conducted
by Rev. Earl Story of the East Wey-
mouth Methodist church. Vocal se-
lections were rendered by Old North
trio composed of Mrs. Annie McDow-
all, Mrs. Evelyn Sherman, and Mrs.
Mary Millett. The bearers were, Ed-
gar Stiles, George Redway, Russell
Stiles, Charles Cole, Clifford Stiles and
Albert Nelson. Burial was in the
North Weymouth cemetery.

There was a large delegation from
Reynolds Corps 102 present and the
officers conducted the Corps service.
Mrs. Philbrook rendered "Beautiful
Isle of Somewhere", Mrs. Carrie F.
Loring read an original poem, Mrs.
Mary R. Flint presided at the organ.
The large number of beautiful floral
tributes testified to the esteem in
which the deceased was held.

Besides her husband, Mrs. Culley
leaves two sons, Harry Stiles and Ed-
gar Stiles of North Weymouth, also
four grandchildren and one great
grandchild.

FORMER RESIDENT

Mrs. Hannah E. Linton, widow of
Augustus A. Linton, for many years
a resident of Weymouth, passed away
at the home of her son Edward in
Royal Oak, Michigan, Feb. 11.

The body was brought to Weymouth
and funeral services were held in the
Village cemetery chapel Feb. 14, con-
ducted by Rev. William Hyde of the
Episcopal church of which the de-
ceased was a member.

Besides her son, she is survived by
two sisters, Mrs. Mary G. Taylor and
Miss Sarah Peck of Somerville, also
ix grandchildren, Frank and Laurence
Butterworth of Marion, Indiana; Dex-
ter and Arthur Linton of Royal Oak,
Michigan, and Clara and Clarence
Linton of Quincy, also one grand-
son of Marion, Indiana.

Mrs. Linton was highly esteemed
by all who knew her.

Mr. and Mrs. Edward F. Linton
and son accompanied the remains
from Michigan.

GEM THEATRE

The Gem theatre catered to a capacity house Sunday and Monday during the filming of "The White Sister", a picture that will live in the minds of the patrons as one of the finest of the season.

Mr. Rogers, the manager, believes in giving nothing but the best at all times. "Scaramouche" and "Little Old New York!" are the next big winners for the Gem.

"Fury", playing Friday, Feb. 22, nine reels you won't forget. Ships and storms and sea—a drama of rolling decks—a romance of roaring Limehouse.

Saturday, "Boy of Mine". A picture greater than "Penrod and Sam". It's great; far beyond words and as warm as close to you as your heart.

They met "West of the Water Tower"—the town's prize smart boy and the prettiest girl—and soon the whole town rocked with talk. Are small town morals better or worse than a big city? This picture tells the truth about life and love in a typical small town, at the Gem Sunday, Feb. 24.

"Black Oxen" at the Gem Tuesday and Wednesday. A sensation! That's the only word for it. Something a millionaire would give his last dollar for! A woman would barter her immortal soul for. And now, "Found". Revealed in "Black Oxen".

The Gem theatre is one of the prettiest show houses on the South Shore. In fact Weymouth's only fireproof theatre with all seats on the ground floor. It is showing some of the finest photoplays that can be bought. There are 500 upholstered seats on an incline which gives everyone a chance to view the pictures without anything obstructing the view. There are competent lady ushers in attendance at all times, and there is no place where one could spend a more delightful evening, watching the latest photoplays than at the Gem theatre, Weymouth Landing.

BOTH TEAMS DEFEATED

Both local basketball teams were defeated Friday night at Bates Opera House. In the South Shore contest the Okos of Brockton won 26-21, and in the Mayflower League game the Okos second team trimmed the Weymouth Collegians 32-23.

Weymouth led at the half in the main attraction 13-8, the second period was featured by the uphill fight of the visiting aggregation with Jackie Reardon as their principal point-getter.

Bill Barret played a star game for Weymouth netting 10 points of the locals' total. His sterling work on defense alone prevented the Okos from rolling up a larger score. Reardon was the shining light for the Brockton quintet, his four baskets and five fouls in the final period gave the game to the Okos. Fitts outplayed "Rusty" Higgins all the way. Gannon shot in hard luck.

The summary:

	OKOS	Fouls	Total

COLLEGIANS LOSE

In one of the best preliminary games played in the hall this season the Collegians were defeated by the Okos 32-25.

At the end of the two regular 20-minute periods the score was tied. Two 5-minute overtime periods were necessary to break the deadlock.

Peabody and Slattery were high scorers for their teams each allowing the other to run wild with very little attempt at guarding. Jackson played a good game for the visitors. Gunville and Coyle showed good basketball. Coffey made a couple of good shots. The summary:

	OKOS SECONDS		
	Goals	Fouls	Total

WEYMOUTH DROPS IN LEAGUE

The team standing to date is:

	Won	Lost	Pct.
Okos	2	1	.750
Weymouth	2	2	.500
Rockland	2	2	.500
St. Mary's	2	2	.500
Y. M. H. A.	1	2	.333
Randolph	1	2	.333

The local five dropped from the lead to tie with Rockland and St. Mary's for second place in the South Shore League. Weymouth has a good opportunity to advance their standing by defeating the Y. M. H. A. team this (Friday) afternoon. There is a great deal of feeling between these two teams and their supporters and a real tussle is due whenever they meet. Both teams will use their usual line-ups.

Reardon of the Okos and Heal of Rockland displace Barrett and Fitts as leading scorers. The individual records are:

	Gls.	Fls.	Pts.
Reardon, Okos	14	8	36

SPORT NOTES

This is the third week of the second half in the South Shore Basketball league. Weymouth and the Y. M. H. A. five clash tomorrow afternoon at Bates Opera House in a league game.

Frank Fay recently secured a green pacer out of a consignment from the Chicago Sale called Belle Perry, by Red Heart, Jr. She is reported to have been a mile in 2:20, last half in 1:06, the quarter in 32 3/4 seconds with very little training.

Jimmy McGonnigle cleaned up the 147 lb. class in last week's amateur tournament in Eagle Hall, Brockton. Tony Visco, another Weymouth boxer, was his opponent in the final bout. Jimmy was declared to be the best amateur of his weight to show in Brockton this winter.

The annual ball of the Old Colony Gentlemen's Driving Club will be held Monday evening in Fogg's Opera House South Weymouth.

McGrory's outfit slipped a bit last week. Joe Mahoney's absence from the lineup in the last few games has made a big difference. While Jimmy Shields has played well in every game players of Mahoney's class are few and far between.

South Weymouth has a new aspirant for fictitious honors in Charlie Wier. The Scotch lad from Sheep street is training diligently with a group of Boston boxers and will soon make his first ring appearance.

George Curtin, popular Weymouth athlete has recently entered the employ of the Weymouth Trust Co.

A NOTABLE LUNCH

On an afternoon, not long ago, twenty women met, now this I know, for I was one of these women twenty who met to plan a menu of plenty. For a lunch to be given in Weymouth town.

At Nash's Corner, a place of renown. All winter these women had been meeting here.

To learn how their families to properly rear, and give them the food their bodies most need.

For this we all know is important indeed. We learned about calories, vitamins and such.

And, if you believe it, I sure have a hunch that most of these women so bright and so keen

On the subject of calories were frightfully green. Our leader, Miss Burr, so pleasant and bright,

Soon had us all serving the food that is right, And drinking much water and milk, (so they say),

Eating fruit and raw vegetables at least twice a day.

Now the winter had passed: these meetings were o'er, So these women all met (as I've said before)

A luncheon to plan of food that would score, One hundred percent, or perhaps even more.

We talked and we argued two hours at least, And finally settled on such a fine feast.

The day of the lunch was a day bright and clear, The ladies came early and all full of cheer.

Such a hustling and bustling you ne'er did see, And all were as happy, as happy could be.

At twelve o'clock sharp came Miss Burr and her guest, Which enlivened the spirits of all of the rest.

She found us all busy with this thing and that, And one on top of a step ladder sat.

The tables so dainty with much pleasure she eyed, But, at sight of the food, her eyes opened wide.

At last all was ready, and down we did sit, Did we get up hungry? Well I should say "nit".

There was bisque, escalloped oysters, cold slaw all so fine, Bran muffins and coffee next came into line.

Fruit jello, whipped cream (Oh! my, such a treat!), Cakes dainty and peanuts that couldn't be beat.

In our class we were taught that, in order to score, We could drink one cup of coffee, and not any more.

Now some of these ladies wanted two, now just think, We asked if 'twere proper, and Miss Burr turned quite pink.

But stammered at last that the cups were quite small, And she thought for this once it wouldn't matter at all.

Which recalled to one mind a story she'd heard,

And she told it right then. Here it is word for word.

One man told another, so she had been told, That guide posts were called, in the days of old,

By the name of "minister." Now why? Do you know?

For they show us the way, but they never go. All good things end, and so did this lunch.

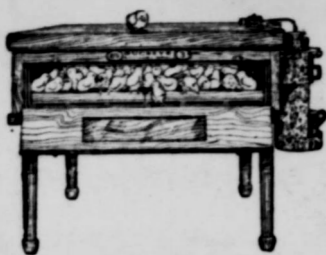

"It was a success", said all of the bunch. Much credit for this is due to one, Who worked very hard to have everything done,

To make things attractive. This one Sarah Torrey, But I have worked harder to complete this story.

BRAINTREE

POINT

The Braitree Point Welfare club held their regular meeting on Monday evening, Feb. 18. It is planned to hold these meetings every Monday evening until further notice.

Various matters of business as well as the coming entertainments were brought before the meeting for discussion and reports.

Special attention was placed upon the coming Shamrock party, March 17. A very interesting and unusual form of entertainment is being planned for the evening and should be well worth attending.

DeNiel's four-piece orchestra has been engaged for all dances for the entire season beginning April 19.

Next Wednesday evening the regular club meeting will be held and after the meeting supper will be served. The first regular meeting of the club next month will be held on the second Wednesday. An especially fine roast beef supper will be served at 6.30 by the entertainment committee.

The Braitree Point Women's club held a large and well attended meeting on Tuesday evening, Feb. 19. Regular routine business was placed before the meeting. The club voted to send its representative to the annual Federation of Women's Clubs, of which this club is now a member. This annual meeting is to be held in Boston on Feb. 29. After the meeting a collation was served by Mrs. Philip R. Cook with assistants.

The Braitree Point Girls club will hold their first dance of the season in the assembly hall of the Braitree Point Welfare club on Friday, February 29, at 8 P. M. It is hoped that there will be a large attendance. This is their first attempt along this line and should prove to be very popular.

Almon B. Raymond Dies Suddenly

Almon B. Raymond, a life-long resident of this town, passed away suddenly on Monday at the home of his sister, Mrs. William Wagner on Pleasant street, shortly after entering the house.

Mr. Raymond, who was in his 68th year, has suffered ill health for some time, and succumbed to an attack of heart trouble with scarcely a moment's warning. He was well known in Weymouth, where he has spent his entire life, and is recognized as the donor of \$10,000 which was given to the Weymouth Hospital recently for new quarters which are under construction and rapidly nearing completion. A few years ago, he retired from the meat business of which he

was proprietor for a number of years. Funeral services were held from the Second Universalist church on Wednesday afternoon at 2:30 o'clock with the Rev. L. W. Attwood of the Abington Universalist church and Rev. William D. Veazie, pastor of the Second Universalist church of which Mr. Raymond was affiliated, conducting the service jointly.

The interment was in the family lot in the Highland cemetery and the pallbearers were Theron L. Tirrell, Fred T. Barnes, George Raynor, Fletcher Torrey, William Grieves and George W. Conant. Besides his widow he is survived by his niece, Miss Florence K. Howe, one sister, Mrs. William Wagner and a brother, Harry Raymond of this town.

AMERICAN LEGION

Reports from all captains of the membership drive committee show a wonderful response from the ex-service men of Weymouth with the result that a large increase in membership is assured.

The next meeting of the post will be held in the new addition to Stetson's Shoe factory, Tuesday, March 4, at 7:30, as G. A. R. hall, the regular meeting place is engaged for that evening. The matter of amending the by-laws to include a second vice commander will be voted upon, and nominations made for the office. Plans for a big social meeting in March will be discussed, also the proposition of putting on a show.

The post officers are working hard to make Weymouth Post a real live organization and everything points to success.

MARY LOUD CADY

The funeral of Mrs. Mary (Loud) Cady, who passed away on Saturday morning, Feb. 23, was held from her late home, 70 West street on Tuesday afternoon at 2:30 o'clock. Mrs. Cady was the daughter of the late Mr. and Mrs. Reuben Loud, was a native, and had spent her life in Weymouth, having been born here on May 26, 1834, and would have observed her 90th birthday anniversary in May. Dr. Francis A. Poole, pastor of the Old South Union Congregational church, officiated and the interment was in the Mt. Hope cemetery. Besides her two daughters, Miss Lizzie M. Cady and Miss M. Anna Cady, she is survived by a sister, Mrs. Maria Lewis, who made her home with her sister, and a brother, Francis B. Loud, 32 years of age, of Quincy. The bearers were Matthew R. Loud, Frank E. Loud, Merton Loud and J. Cady Loud.

ELECTION NOTES

Town Clerk Merchant has received official notification of the withdrawal of Frederick L. Alden, who was nominated by the Citizens Non-Partisan Party as candidate for town treasurer. William A. Connell, another nominee of the Non-Partisan Party for Selectman has also withdrawn.

Aside from the tickets nominated by the Republican caucus and the Citizens Non-Partisan Party, two independent nomination papers have been filed for Selectmen; one by John B. Whelan of 36 Common street and one by Edward P. McNamara of 169 Neck street.

The only candidate for Moderator is Hon. George L. Barnes of South Weymouth, who has served very acceptably in recent years. New voting lists are being printed at the Gazette office. There are now 14 different lists, seven male and seven female. If one of each list was placed side by side they would cover a billboard over 25 feet long.

MIDDLE STREET FIRE

The big barn of the J. F. & W. H. Cushing Co. on Middle street was totally destroyed by fire early Thursday morning. The blaze was discovered by William Delorey, the night operator at the telephone exchange, who promptly sounded box 23.

The barn was a mass of flames when the fire department arrived and Chief Collier rung in a second alarm. Houses on Center street were in danger, but with streams from three hydrants all were saved.

The barn was occupied by William Hannaford and it is thought the fire caught from overheated hay. Several trucks in the building were saved very efficiently work being done by the firemen.

Mrs. P. Augustus Conathan of Centre street served hot coffee to the firemen, and on the return to the Central station, Mrs. Ira Sturtevant served a lunch.

colors completed the picture and reminded one of the old time charity balls which were once so much in prominence around Boston.

The party was on record as informal, but nearly every couple who danced were in evening clothes. The usual inspiring music of Hardy's Wonderful orchestra rang out until 2 A. M., when the moonlight waltz brought the largest party to a close that has been held on the South Shore for many years.

The annual ball given on Monday evening by the Old Colony Driving Club was the largest ever held. Nearly 1000 guests crowded Fogg Opera House and during the early part of the evening, the dancers were a moving mass of humanity.

The ball room was well decorated with colors and a background of cedar, hemlock and evergreen added to the beauty of the setting. The gorgeous gowns with their array of beautiful

WEYMOUTH, FEBRUARY 29, 1924

MISREPRESENTING THE "BONUS"

NEARLY everyone has heard of the so-called "Bonus Bill," but very few actually know what its real provisions are. In the first place it is not a "Bonus Bill" at all. That name has been attached to it by those who are opposed to keeping the country's pledge to those who took part in the war.

The bill is for "Adjusted Compensation which is a vastly different thing. It provides that every soldier, sailor or marine who served in this country during the war shall receive \$1.00 per day additional for the time served, the whole not to exceed \$500, and that those who served overseas shall receive \$1.25 per day, the whole not to exceed \$625. The average term of service of all who served is 325 days.

It is not proposed, however, to pay this sum in cash. Those who served less than 60 days will receive nothing, as they got \$60 additional compensation when they were discharged. Those who are entitled to receive not over \$50 are the only ones who will receive cash, and the entire cash payment required if the bill passes is a relatively insignificant sum.

The principal provision of the Compensation bill is for the issuing of "Compensation Bonds" maturing in 20 years, a species of life insurance for the men—a sort of a 20-year endowment policy. At the end of 20 years each will get \$500 or \$625 as the case may be. Should they die before 20 years elapse the sum becomes payable at once to their heirs, furnishing burial money, scarcely more.

Or, if the ex-service man chooses he may receive government help in securing a home or land.

Certainly there is no justification for the claim so often heard that a vast sum of money will be paid to the men for them to squander. There is no justification for the claim that it is a raid on the treasury or that business will be injured by the passage of the bill. The burden on the tax payers will be slight and will be proportioned over a period of 20 years.

Much of the opposition to the bill is due to propaganda which has willfully misstated what it really is. The President has stated that he is opposed to "the bonus bill," but he has not stated his attitude on an adjusted compensation bill such as is now before Congress. A majority of the House and Senate have pledged themselves to vote for the bill the Legion asks for and it is claimed that there is a sufficient margin to pass it over a possible presidential veto.

Secretary Mellen is the chief opponent to the bill. Scarcely a year ago he stated that the government was facing a big deficiency. Later he came out with a tax reduction scheme which he declared would be possible provided no soldier's bonus was voted. Now it is announced that the government has a surplus of over \$350,000,000 and it is proposed to remit one-fourth of the income tax for the year 1923. We must confess that we cannot understand his figuring, nor can we see how the sum for the immediate requirements of the soldiers will prohibit tax reduction. As to future requirements they cannot be excessively burdensome.

It is plain to see that we can have Adjusted Compensation and tax reduction at the same time. We believe that the President will come to see this fact when he looks into it more closely and do not believe that he will veto the bill if it is passed.

It is a matter of plain justice. It is a debt that the country owes and the opposition to it comes from the profiteering and slacker class and those who misunderstand the provisions of the bill by reasons of the propaganda that has been put out.—Wareham Courier.

Travel Letters of Weymouth People

TRAVEL LETTERS—NO 2

From South Weymouth, Massachusetts, U. S. A., to Puerto Castilla, Honduras, C. A.

(By Mrs. Gertrude C. Andrews)

Sunday morning we awakened to the swish of waves, the vibration of the ship's engines and the purr of the wireless as our stateroom happened to be located opposite. Fact is we were the only passengers with accommodations on the promenade as the Limon is a freighter and has room for but a limited number.

When we took account of stock at the breakfast table we found we were ten in all—employees or families of employees of the United Fruit Company—which immediately established a bond of friendship. The atmosphere still retained enough frigidity to warrant but hasty walking on deck.

Nothing but vast areas of water—and we destined for nothing but the same until Thursday, when we should with good luck, reach Cuba. One ate, read, slept, walked, talked and killed time generally. As I stated above the Limon is a freighter and the dining room had to be the library, music room and everything else combined. But we got along.

There were two other ladies besides myself which made it more agreeable for me especially as one of them was to be my neighbor at Puerto Castilla. Sunday night we had travelled sufficiently south to be able to stay on the lee side of the deck for a while in our steamer chairs.

Two of the passengers had ukeleles and proceeded to make merry with the latest from the "Follies" back to "Sweet Adeline". Indeed "music hath charms". By Monday morning the guests of the company were reasonably well enough acquainted to assure a pleasant voyage; weather permitting.

We had a most amusing passenger, a young Greek, who had but a limited knowledge of the English language. The other young men took a great deal of pleasure in adding to his vocabulary and he found much joy in his new accomplishments. No matter how much we laughed he was never resentful at our mirth, but kept pegging away. He was on his way from Palestine to Truxillo, C. A., and his style of dress was European enough to go with his vocabulary. His name was Pasquale and he was immediately

dubbed "Ponzi". If he had cared, we should of course have refrained from so much levity, but he enjoyed it as much as the rest.

By Wednesday we were able to leave off the coats and caps and lounge around outdoors. Indications of the Gulf of Mexico showed itself by patches of gulf weed here and there. We ran into a school of flying fish. Like silver arrows they pierced the waves, darting hither and yon with such rapidity that you know something has happened (if you are unacquainted) and wonder what.

And Wednesday morning we really saw land reasonably near—the Bahama Islands—sandy stretches staccatoed with palms. I mean by that, here and there standing out alone, straight and stiff, a coconut palm. If you will look at your Dromedary date box you will know exactly what I have in mind.

I do not know the extent of these islands, but we were better than an hour before they were lost to view, and they are about a day's run to Cuba. Wednesday was a busy day as everyone had letters they wished to have ready to mail at Santiago de Cuba which was our first port to unload, and a full day on shore was promised us. How good that sounded. Straw hats were looked up, summer dresses shaken out, and "the American Tourist" was written all over us, I haven't the least doubt.

Thursday morning, bright, clear and beautiful, as indeed every day has been, we went on deck to find ourselves idly swaying back and forth at the entrance of Santiago harbor. Just ahead of us was the Santa Marta, one of the large passenger boats of the United Fruit Company, also waiting for her pilot. And before us loomed rough and rugged, masterful, the ruins of Morro castle—a masterpiece left by the Spaniards. It cannot be described! It is far too beautiful for words, towering as it does on the edge of a cliff and dominating the entrance of this harbor.

We finally got under way and pursued a snake-like course between hills covered with palms and other greens peculiar to the tropics—here and there a red roofed cottage lent its attractive bit to the scenery and in an hour we were anchored in the bay to await inspection and other things incidental to being transported to the mainland.

(To be continued)

CURTIS—CURTIS

Miss Alice Curtis, daughter of Mr. and Mrs. Alvin Curtis of Pine street, and Ellsworth Curtis, son of Mr. and Mrs. Walter Curtis of East Weymouth, were united in marriage at the parsonage of the Central Methodist church in Brockton by the pastor, Rev. Edwin E. Wells, on Friday, Feb. 22. The double ring service was used. The couple were attended by Mr. and Mrs. Clayton Bemis, sister and brother-in-law of the groom. Following the ceremony a reception was held and a wedding supper served at the home of Mr. and Mrs. Bemis on Riverview street. Many guests were present.

The bride wore a gown of olive blue canton crepe and wore a gray hat trimmed with silver lace. She carried a shower bouquet of carnations. Her maid of honor wore a gown of dark blue canton crepe trimmed with silver lace, and a black satin hat. She carried pinks.

For her wedding trip the bride was attired in a gown of blue tricotine, a brown hat and brown slippers.

The groom is well known in East Weymouth, where he owns a chicken farm, having been successful in this industry as a result of specializing in this course at the Massachusetts Agricultural College, of which he is a graduate. He is an ex-service man and a member of the American Legion.

Mrs. Curtis is a native of South Weymouth and a member of the Rebekahs.

SIXTY YEARS MARRIED

News comes from Florida that on Feb. 21, Col. and Mrs. A. C. Drinkwater of Braintree, the parents of Horace R. Drinkwater of Braintree and Weymouth observed the 60th anniversary of their marriage at Hotel Rockledge at Cocoa. For several winters they have been residents of City Point, Florida.

Col. and Mrs. Drinkwater were assisted in receiving by Mr. and Mrs. William B. Rice of Hingham, who went especially for this event to celebrate their first anniversary, Mrs. Rice being a niece of the Drinkwaters. Among the hundred or more guests were Mr. and Mrs. Sherwood M. Pinkerton of Sharps, Fla. Millard Drinkwater of City Point, Mr. and Mrs. Carl Day of Brunswick, Maine. Mrs. Pinkerton and Millard Drinkwater are daughter and son of Col. and Mrs. Drinkwater and Mrs. Day is a sister of the colonel.

Col. Drinkwater was born in Topsham, Maine, and Mrs. Drinkwater, who was Miss Susie H. Brocklebank, in Bridgton, Maine. They were married in Lynn by Rev. J. B. Sewall, D. D., who later became the head of Thayer Academy in Braintree, where the children of Col. and Mrs. Drinkwater were educated.

In the Civil War, Col. Drinkwater served in the First District of Columbia Cavalry, and the First Maine Cavalry, the latter being one of the most noted mounted regiments of the war. He also was aide-de-camp on the staff of Gen. Benjamin F. Butler. He is a lifelong Democrat, and a member and officer of the Democratic State Committee for more than fifty years. He has attended more than fifty State conventions.

Six children were born to Col. and Mrs. Drinkwater, three boys and three girls, and of these two sons and a daughter are living.

MANY FIRE ALARMS

During the year 1923 there were 58 bell alarms and 158 telephone calls for fires. The Engineers in their annual report make no estimate of the loss by fire.

COSTUME PARTY

There was a very pretty costume party held at the hall of Citizens Association, Ward 4, Feb. 21, and it was a scene of much amusement.

There was a large number in costumes of various types which were very pleasing. The grand march took place at 9 o'clock led by Mr. and Mrs. L. Ellis and Mavis and Tom Holmes, and was enjoyed by all, the costumes were then judged for originality and comic. Mrs. De Young taking first ladies' prize and Mr. Ellis the first men's prize; for the funniest lady Mrs. Leach, and the funniest man, Tom Holmes.

The judges were Miss Helen Rogers of Boston, Mrs. Piper, Miss Catherine Melville of South Weymouth and Wallace Tirrell of New Bedford.

The matrons were: Mrs. L. Stowell, Mrs. Fred Merrill, Mrs. E. Trussell, Mrs. L. Callahan, Miriam Tirrell, Mrs. Holmes and Mrs. L. Ellis, who served refreshments.

Much credit is due the committee for the beautiful decorating which was in red, white, blue.

A very pretty feature of the party was Mrs. Chipman when she sang, "A Kiss in the Dark" and "Midnight Kisses". Another pretty feature was Martha and George Washington, dancing the minuet. Hayden's orchestra furnished music for dancing.

Among the beautiful costumes were: Mrs. Chipman, a Colonial lady; Mrs. F. Merrill, Spanish Queen; Mr. F. Merrill, Charlie Chaplain; Mrs. Callahan, gypsy; Mrs. L. Stowell, milk maid; Mr. L. Stowell, clown; Mr. and Mrs. E. Trussell, clowns; Mrs. L. Ellis, domino sugar lady; Mr. L. Ellis, mash feed and buttermilk man.

Mr. Theodore Speare, dude; Mrs. Mary Tirrell, lady of '76; Mrs. Arthur Tirrell, Spanish; Mr. Arthur Tirrell, little boy; Mrs. De Young, musical lady; Mr. and Mrs. J. Heffernan, clown; Mrs. Jackson, peasant lady; Mr. Jackson, English nobleman; Mrs. Sanborn, dancing girl; Mavis Holmes, organ grinder; Tom Holmes, organ grinder; Mrs. Leach, clown; Mrs. Raymond Perkins, clown; Mrs. Irma Hunt, costume lady; Mrs. Corcoran, Puritan lady; Grace Callahan, George Washington; Elsie Monroe, Martha Washington; Mr. and Mrs. Butler, college girl and boy.

John Seabury, farmer; Doris Adams, little romper girl; Ruth Monroe, gypsy girl; Lida Monroe, Navy boy; Constance Nash, shepherd girl; Beatrice Melville, ballad girl; Marion Sandborn, card girl; Marjorie Monroe, flag girl; Phyllis Price, Dutch girl; Miss Hirt, National.

The proceeds of this party are for the benefit of cake table of the fair to be held in April and a good sum was netted.

Mr. F. Merrill as Charlie Chaplain, and Mr. Tom Holmes as the organ grinder, made much fun.

Are We Extravagant?

Here are some costs on Studebaker cars—

Would you have us cut them down?

WE are lavish on Studebaker cars. For some features we pay three and four times what they need cost.

Here are some of those costs which affect you. Tell us—would you want any one reduced?

Our prices on high-grade Sixes run from \$1025 to \$2685. They stand at bottom in the fine-car field, despite these extra costs. All because the demand requires 150,000 cars per year.

But they could be lower if we cut these costs. Would you have us do it?

Engineering—\$500,000

Our engineering departments cost us \$500,000 yearly.

Our Department of Research and Experiment employs 125 skilled men. It spends vast sums in analyses and tests.

Our Bureau of Methods and Standards fixes every formula, every requirement. It makes 500,000 tests per year to maintain our high standards.

We make 30,000 inspections on every Studebaker car during manufacture before it goes out of the factory. We employ 1,200 men to do that.

Those are heavy costs. But remember how they are divided—by 150,000 cars per year. They form but a trifle per car.

\$50,000,000 in plants

We have invested \$50,000,000 in modern plants and equipment. \$8,000,000 in drop forge plants. \$10,000,000 in body plants—as the only way to do Studebaker coach work.

These plants are equipped with 12,500 up-to-date machines, many of them very expensive.

But consider the alternative. Profits to other makers. We save up to \$300 for you by building Studebaker bodies in our own body-plants.

15% extra on steel

On some steels we pay a bonus of 15% to the maker. Just to get our

formulas exact. We could save that extra on "commercial runs."

We are one of the very few builders, either in Europe or America, using crankshafts machined on all surfaces. It costs us \$600,000 a year to give you this. But it results in that smoothness of operation, that lack of vibration which characterizes only the most expensive cars.

Every Studebaker car is Timken-equipped. The Special-Six and the Big-Six have more Timken bearings than any car selling under \$5,600 in America. The Light-Six more than any competitive car within \$1,500 of its price.

The many extras on our large closed cars would cost much if you bought them. The nickel-plated bumpers, the extra disc wheels and cord tires, the steel trunk, the courtesy light, motometer, etc.

Extras to our men

We pay the highest labor scale. Then we add extras to it.

Men who are with us five years or over get 10% of their year's wages in an anniversary check. Those anniversary checks last year cost us \$1,300,000.

After two years all employees get a week of vacation with pay. That cost us last year \$225,000.

Old employees who retire get pensions.

All this to keep men with us while they grow more and more efficient. To make them happy, so they do their best.

This is all paid by people who buy Studebaker cars. But we figure that each such dollar saves us five dollars. Don't you agree with us?

The utmost in car value

The object is to give you the utmost in car value. You will find we do that if you make comparisons. In any Studebaker model, you will find scores of ways in which it excels any rival car.

That is why, in the fine-car field, the Studebaker leads. The demand has almost trebled in the past three years. These cars have become the sensation of Motordom. On some of these models we have never yet been able to meet the demand.

We spend money lavishly. We build without regard to cost. But, in our quantity production, we still bring costs to bottom.

You should learn what these things mean to you before you buy a car.

Don't Buy a Fine Car until you see the leaders

Studebakers hold the top place in the fine-car field today.

Last year, 145,167 people chose them against all rivals. They paid \$201,000,000 for them.

For 72 years the Studebaker name has stood for the utmost in quality. It will never stand for less.

Today there are assets of \$90,000,000 staked on the Studebaker cars.

Don't pay \$1,000 or more for a car without knowing what Studebaker offers. You will find here some scores of advantages. Learn what they mean to you.

Other costly extras

Our bodies are finished with 18 operations, including 15 coats of paint and varnish.

We use real leather upholstery. We could cut the price of our open models \$25.00 were we willing to use imitation instead of genuine leather.

We upholster our closed models in the finest Chase Mohair. Cotton or ordinary wool, or a combination of both, would enable us to reduce our price from \$100 to \$150 per car. But we would thus sacrifice Studebaker quality and reputation.

—Joseph Moriarty, 20, of Commercial street returned from the Weymouth Hospital Saturday noon. He fell 30 feet while engaged in pushing ice from the run into Hayward's ice house at West Hingham a couple of weeks ago. He landed on top of a pile of ice cakes, and at the time it was feared he was severely injured; at the hospital it was found that no bones were broken. He must bear a charmed life, as he weighs about 250 pounds.

—If the Pied Piper is out of a job he can have one by applying to anyone in the vicinity of Commercial Square. Lillian Gish in Henry King's production of the "White Sister" by F. Marion Crawford. Read this great tribute to a great artist by a great critic: "There is nothing on the stage this season, nor was there anything on the stage last season, to compare for one moment with the pathos, the suspense, the spectacular magnificence and the gorgeous finale of the picture which presents Lillian Gish in 'The White Sister'."—Alan Dale

They were followed by radio selections by an orchestra. Refreshments were served by the hostess assisted by Mrs. Mary Walker and Mrs. Dorothy Allen, after which a social hour was spent. Mrs. George O. Jenkins was present and spoke to the chapter. A goodly number were present.

—The home of Miss Elsie Monroe on Mill street took on a most festive appearance Thursday evening, Feb. 21, when the members of the S. K. club arrived in picturesque Colonial costumes for a Colonial dinner and social evening. Decorations and menus were appropriate to the occasion. After the dinner which was served by four of the members, there was music and games with a Virginia reel, bringing to a close one of the most enjoyable evenings which the club has ever had.

—Mr. and Mrs. Robert S. Hoffman of Broad street welcomed a son last week at their winter residence in Boston.

—Mr. and Mrs. Dana Hollis of Water street, East Weymouth, entertained friends at dinner Sunday, celebrating Mr. Hollis' birthday. Among the guests were his sister, Mrs. Ralph Cushing and Mr. Cushing of Brockton and his aunts, Mrs. Carrie Richards and Mrs. Ada Wheeler of South Weymouth.

Favors at whist were awarded Mrs. Ruth Perry, Mrs. Edward Howe, Mrs. Arthur Fearing, Carleton Perry, Arthur Fearing and Ebed Litchfield. AMERICAN LEGION AUXILIARY
The Legion boys had their drive machinery all in order and the women of the Auxiliary furnished the oil, to start the wheels, by giving a supper. It was a real supper too, with mashed potatoes, ham, peas, cabbage and apple salad, rolls, coffee, ice cream and cookies. Mrs. Mary White served as manager with assistants from all parts of the town and a pocketbook filled to the brim by members of the unit. With fans of red, white or blue pinned more or less securely to the tresses of various hues ten girls of the unit served as waitresses.

Then came a real turn about for, while the women were eating the boys proved how well they could work by cleaning tables and removing them and also seeing the women were well served.

Those women who heard the speakers felt a new urge to keep on with work of any kind to help a little in the great task.

Ten members of the unit attended the Norfolk County monthly meeting. The routine business was as interesting as usual, and this time sandwiches and tea were served and a little entertainment given. Everything moving all along the line and meeting Monday night.

Have just received notice by telephone of the death of one of our members, Mrs. Bettincourt of East Weymouth. Quiet and unassuming yet always ready to help in anyway she will be missed by all of us and our sympathy goes out to the family at this time.

GAS---It's Place in the Home

Has it ever occurred to you to think just what can be done with gas in a modern gas equipped home?

THE KITCHEN should be one of beauty as well as utility, with an enamel gas range with oven hot water supply as served the laundry and an incinerator for the burning of refuse. A gas burner in the pantry is often found convenient.

Grand Testimonial Deputy Chief Whitmarsh

Fifty years a fireman and still in the game. This is the proud record of Deputy Chief Frank O. Whitmarsh of the Braintree fire department. He was given a testimonial reception and banquet last Saturday evening by the members of Hose No. 3 at their house on Allen street. He was presented with a massive silver loving cup by his associates of Hose No. 3 and the veterans of Old Union No. 1 in commemoration of his fifty years of service.

FRANK O. WHITMARSH
Deputy Chief B. F. D.

The presentation speech was made by Thomas Croke of Hose No. 3. The deputy chief made a very fitting reply of acknowledgment to the presentation speech of Mr. Croke. The deputy chief, or in other words as he likes to be called "Frank", joined the Braintree fire department in 1874 but was fighting fires long before that.

At the time of the big Boston fire in 1872 he went to Boston with the Quincy fire department as a volunteer and did yeoman service while there until the fire was under control. He joined Old Union No. 1 as a call fireman in 1874 and has filled every position in the department to the satisfaction of all. He is a member of the Fire Chiefs Club and is one of the charter members. The Fire Chiefs Club was organized Jan. 21, 1893, and he has held the office of sergeant-at-arms for 31 years. He is also a member of the Massachusetts Volunteer Fireman's Relief Association and is sergeant-at-arms at the present time, and has held that office for the past 28 years. He is acquainted with about every fire fighter in New England. The deputy chief has got a tapper located in his house, and also an auto at his disposal, and when an alarm comes in he is about the first man to get to the fire alarm box and never leaves till the "All Out" is sounded. While at a fire he never asks his men to go anywhere, "be it ever so dangerous that he would not go himself".

The deputy chief has got at his home a veritable museum of fire antiques consisting of old fire hats, trumpets, belts, axes, fire buckets, lanterns, pieces of fire hose from the time of the first made up to the present time. He has also on the walls of his antique room nine cabinets containing souvenir badges dating back fifty years. He has a two inch nozzle five feet long that came from the old Nantucket hand tub. He is custodian of a large gong set in a rosewood box, also a gavel presented to the Fire Chiefs Club 30 years ago by the president of the Gamwell Fire Alarm Co., the large end of the gavel is made from wood of the old U. S. S. Kearsage, the handle is made from wood of the old U. S. Training ship, St. Mary.

Lest we forget, before going any further, we would like to mention one more good fireman in our midst; she is the wife of the Deputy Chief, or in other words, his right arm; she is right up to date on all fire matters and is always on the job, morning, noon and night. Although she was not at the banquet in person, she was there in spirit, and on behalf of the members of Hose No. 3, Mrs. Annie Whitmarsh was presented with a handsome bouquet, through her husband Deputy Chief Whitmarsh.

After the banquet, speech making was in order. The most interesting speech of the evening was delivered by Deputy Chief Whitmarsh. His subject was "Reminiscences of the Braintree fire department for the past fifty years".

Governor Channing H. Cox could not be present on account of a previous engagement, but was well represented by Representative Allen Lawson, who spoke on matters of State. Assistant District Attorney William Kelley of Norfolk County spoke on County affairs; Chairman Edward Avery and members of the Board of Selectmen spoke on town affairs. Chief Mead of the Quincy fire department sent a telegram of regrets.

A gold purse was presented to Deputy Chief Whitmarsh by Capt. McCarthy of Hose 3 of Weymouth.

Chief F. A. Kenny made a rattling good speech on the motorized department of today and praised the men under his command very highly. Our visiting brothers, Messrs Phillips and McCarthy of Weymouth, spoke very highly on the merits of their department. John McLaughlin, a retired Boston fireman, related some of his hairbreadth escapes while performing fire duty in Boston.

Short speeches were made by Fred Lawrence, Chief of Police Gallivan, J. Mulcahy, J. Sam Hill, Capt. Qualey, Capt. Nichols, Tom South, Capt. T. Fred Mulligan, Thomas Croke, John Ryan and various others of the invited

guests. Every guest of the evening was a "fire spark" on this occasion, for it was a fireman's night with a vengeance.

The turkey dinner was served by the genial caterer, Jack Cronin. After the speech making a fine program of vocal and instrumental music was rendered under the supervision of master of ceremonies, Capt. T. Fred Mulligan, consisting of members of Hose No. 3, assisted by some outside talent.

The first number on the program was by the Bronx Double Quartette, Capt. Mulligan, Tom Croke, John Ryan, James Gurney, John Wilder, Percy Richards, Frank Torrey, Fred Campbell. They sang melodies of fifty years ago. Piano solo by John Yourell. Violin solo by Harry McCusker, tenor solo by Capt. Fred Mulligan, banjo sextette by the Messrs Wentworth, DeCoste, Loring, Byron Whitmarsh, Wynott, William McCusker; tenor solo by Frank Torrey, the silver tongued tenor of the South Shore; harmonica duet Messrs Stackhouse and Buker.

John Ryan told some of his comical stories in his own inimitable way that brought down the house. The last number on the program was a military drill under command of Capt. T. Fred Mulligan.

Among those present were: Lieut. Wentworth, John Ryan, Tom Croke, Percy Richards, Walter Loring, Chas. Buker, Albert DeCoste, Byron Whitmarsh, Edward Stackhouse, Parker Wynott, John Wilder, James Gurney, Frank Torrey, William McCusker, Fred Campbell. A flashlight picture was taken by the official photographer George Du Bois.

Following is a list of the invited guests: Allen Lawson, representative to the General Court; William Kelley, assistant district attorney of Norfolk County; Selectmen of the town of Braintree, Chairman Edward Avery; Shelly Neal, Jonathan French; Chief of the Braintree Fire Department Fred A. Tenney, Chief William Daley of the Brockton Fire Department; Chief of Police J. F. Gallivan, Superintendent of Fire Alarms Fred Lawrence, Superintendent of Water Works J. Mulcahy, Engineer Sam Hill, Capt. Qualey, Capt. Nichols, William Allen, Tom South, Everett Whitmarsh, Joseph Allen, Elmer Vinton, Alverdo Mason, Edward Pearson, John Qualey, Gus McRae, Edward Thomas, J. Frazier, Peter Smith, W. Parker Brown, Walter Skinner, L. Trainer, J. Charles Steever, Bob Whitmarsh, Chet Howe, G. Claupein, William Mulligan, D. Chandler, John McLaughlin, Capt. McCarty, Engineer H. W. Phillips, John Rafferty, Clinton Scollard, John Yourell, Jerome Sullivan, Andy Cahoon, John Maloney, George C. Du Bois and A. L. Armstrong.

Great credit was due to the committee of arrangements in making the banquet and entertainment a success. Following is a list of the committee: Capt. Mulligan, chairman; Lieut. Wentworth, Percy Richards, Thomas Croke, John Wilder, John Ryan, Chas. Buker, Parker Wynott, Walter Loring, Ed Stackhouse, Frank Torrey, William McCusker, Byron Whitmarsh, Albert DeCoste, James Gurney, Fred Campbell.

The festivities came to a close by all joining in singing "The Vacant Chair" and "Auld Lang Syne". The "All Out" was sounded on the tapper at midnight and the boys wended their way out of the hall to the snappy strains of "Lights Out" march. The slogan of Hose No. 3 has always been, is now, and ever will be, "Semper Paratus".

BACKACHE IS DISCOURAGING But Not So Bad If You Know How to Reach the Cause. Nothing more discouraging than a constant backache. Lame when you awaken, pains pierce you when you bend or lift. It's hard to work or to rest. Backache often indicates bad kidneys. Weymouth people recommend Doan's Pills. Ask your neighbor!

Peter Fowler, 10 Elliot St., Weymouth, says: "I suffered from a lame back and my kidneys acted irregularly. Doan's Pills made my back well and since using Doan's, my kidneys have acted regularly."

Nearly three years later, Mr. Fowler said: "I always keep Doan's Pills handy because they never fail to relieve any attacks of backache I have."

Price 60¢, at all dealers. Don't simply ask for a kidney remedy—get Doan's Pills—the same that Mr. Fowler had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

SPORTS

Y. M. H. A., 31; WEYMOUTH, 29.

The holiday attraction at Bates Opera House proved a tough tussle with the Hebrew outfit winning by 17-9, but failed to hold their advantage after a few minutes in the second period.

Gannon opened the scoring with a point from the foul line, following with a nice basket from the side of the hall. Jack's flashy playing in this period put Weymouth out in front. The last half was featured by the star game of Nate Hurwitz, speedy Brockton forward, who time and again broke away from the Weymouth guards to cage easy shots from in under the net.

With six minutes to go, Barrett and Smolensky collided in front of the stage, both receiving injuries that forced their retirement from the game. Frankie Slattery of the Collegians took Barrett's place and proved himself somewhat of a pinch hitter, hooping the tying basket with a minute left to play. Hurwitz rose to the occasion, scoring his seventh twin counter just before the whistle. The summary:

The holiday Mayflower league contest was a hummer with the Weymouth Collegians being returned the winners after an uphill fight. The visitors established an early lead and at the half were out in front 20-10. The last period was a different story. Mongeau caged a twin-counter for his team's only score, while the home talent gathered 20 points.

Slattery was the star of the game with 16 points to his credit. Coffey played well in the second half, holding the dangerous Hannon scoreless. Hannon was the best for St. Edwards with five nice baskets and a foul. Manager Bill Shields played well in Gunnville's place. The summary:

SPORT NOTES

—The interest in amateur boxing shown throughout the country is evident here in Weymouth. It has been some time since so many local boxers have been entered in the different tournaments.

This paint keeps the inside of your store white and clean

WHY do the walls and woodwork
of store interiors collect dust and
dirt so readily?

The reason is that ordinary paint has
a rough, porous surface. Smooth enough
in appearance it is actually full of count-
less tiny pores and crevices in which
dirt clings. Once soiled no washing or
scrubbing can get it thoroughly clean.

Barreled Sunlight is a white paint
made by a special process which pro-
duces a smooth, lustrous unbroken fin-
ish that offers no lodging place for dust
or dirt. A damp cloth will wash it clean
as readily as tile.

This paint costs less than enamel, re-
quires fewer coats and is absolutely
sanitary as it contains no lead. It is the
whitest white imaginable and guaran-
teed to remain white longest.

Not only in stores and shops of every
description but in homes, apartment
houses, hotels—wherever light and
cleanliness are desired, Barreled Sun-
light has advantages over any other
coating.

Comes ready mixed in cans from half-
pint to five-gallon size. Is easily tinted
where color is desired.

Barreled Sunlight is now sold in five-
gallon, gallon, half-gallon, quart, pint,
and half-pint cans.

Appropriation Committee Make Their Report

Today the Town Appropriation Committee reported in print their recommendations upon the Articles in the Warrant for the Annual Town Meeting, a copy being mailed to each Town Meeting Member and say in conclusion:—"If the above recommendations are voted by the Town we would estimate that the tax rate would be about \$30, and will be a step in the right direction by bringing about a reduction of taxation, which is now being brought about both in national and state government."

The committee found it necessary to recommend \$5827.84 for unpaid bills of 1923, and find that \$5000 extra will be needed in 1924 for interest.

The biggest increase recommended is about \$19,000 for the School Department, largely due to increasing the maximum of grade teachers to \$1500.

About \$4000 more is given the Fire Department, to increase the pay per hour at fires, but less to Police Department.

The Presidential caucuses require an increase in election expenses. The only special street appropriation recommended is \$9800 for Broad street from Central Square to Jackson Sq., the miscellaneous street appropriation being \$68,065.

A reading room as a branch of Tufts library is recommended for East Weymouth, but the publication of an Assessors' valuation book under Article 82 is turned down. A committee is recommended to consider the needs of a new schoolhouse in North Weymouth.

"No action" is recommended on several articles. The report on each article follows:

- Article 1.
- Article 2.
- Article 3. That the Treasurer be authorized as called for by this article.
- Article 4. That the Treasurer be authorized as called for by this article.
- Article 5. \$10,000 for Reserve Fund. This is a reduction from last year of \$4000, but we consider it should be sufficient for the purposes.
- Article 6. That the Town make these designations.
- Article 7. \$5,886.57 for the Town's proportion towards the cost of repairs and maintenance of Norfolk County Hospital for 1923, the same to be paid under protest.
- Article 8. \$5827.84 for unpaid bills of 1923 as follows:
Health Department \$1,955.50
Street Department 1,086.54
Miscellaneous 2,528.80
Park Department 30.00
Tercentenary Committee 119.36
Police Department 95.49
Election expenses 11.75

Article 9. \$1650 for Town Survey system; provided the sheets are available for the use of the Assessors on or before July 1, 1924.

Article 10. \$300 for bound stones on accepted highways. This seems an advisable expenditure.

Article 11. Salary of Tax Collector 8 mills on the dollar of taxes collected, tax collector to be insured by \$15,000 hold-up insurance, time of payment and rate of interest on unpaid taxes to be in accordance with Chapter 59, Section 57 of the General Laws.

Article 12. \$21,400 for the payment of interest. This is an increase of about \$5000 over last year, but is necessary owing to the large increase in the indebtedness of the town.

Article 13. \$4,455 for printing and advertising. This is an increase of about \$450, partly due to an extra election this year and some additional printing for the Assessors.

Article 14. \$800 for shade trees. This seems sufficient for the purpose.

Article 15. \$5,160 for suppression of moths; \$2000 of this to be expended for private work for which the Town is reimbursed.

Article 16. \$2,500 for payment of state and military aid.

Article 17. \$3,500 for relief of disabled soldiers and seamen and their families.

Article 18. \$207,460 for the School Department. This is an increase of about \$19,000 over last year. \$11,340 of the increase is caused by increasing the maximum of grade teachers to \$1500 per year; \$5000 for additional teachers and janitors at the High School, and \$1500 for resuming evening school.

Article 19. We recommend increasing the salary of grade teachers to the maximum of \$4500 per year and have made provision for this in the budget of the School Department taken care of under Article 18.

Article 20. No action at this time.

Article 21. Committee of 5 be appointed by the Moderator, one of whom shall be a member of the School Committee to consider the matter of additional school facilities at North Weymouth and report at some future meeting.

Article 22. \$1600 for the Park Department. This amount seems to be needed for the requirements.

Article 23. We favor the expenditure of \$300 for cement curbing around the green on Great Hill Park, but no action is necessary under this article as the amount has been included in the Park Department Appropriation under Article 22.

Article 24. A committee of three be appointed by the Moderator to confer with Messrs Bradley relative to the purchase of additional land adjoining Great Hill Park, and to consider the desirability and advisability of so doing, and to report at some future meeting.

Article 25. \$800 to complete Bradley Road within the limits of Great Hill Park, the same to be expended under the direction of the Superintendent of Streets.

Article 26. \$24,125 for the Fire Department. This is an increase of about \$4000 over last year. \$800 of this is due to increasing the pay of men at fires from 75¢ to \$1.00 per hour. \$780 due to increasing the pay of chauffeurs from \$30 to \$33 per week. \$1200 due to repairing damage by accident to Combination 2. \$450 for placing pneumatic tires on Combination 5 and \$1500 for replacement of fire alarm wires on Pleasant street.

Article 27. \$22,412 for the Police Department. This is slightly less than last year mainly due to the fact that last year patrol wagon and garage were provided for.

Article 28. \$19,350 for payment of town officers as follows:

Selectmen	\$3300
(Clerk)	\$1200	
(Chairman)	\$600	
(Selectmen)	\$1500 (3)	
Welfare Worker	\$ 350.00
Advisor to Selectmen	500.00
Assessors	4500.00
Treasurer	800.00
Treasurer's bond	125.00
Auditors	150.00
Town Counsel	500.00
Town Clerk	500.00
Town Accountant	2200.00
Town Accountant's Assistant	600.00
Tax Collector	4000.00
Tax Collector's bond	250.00

Tree Warden	100.00
Registrars of Voters	450.00
Appropriation Committee expenses	100.00
Sealer	600.00
Sealer's transportation	200.00

Article 29. \$2,550 for election expenses. This amount is necessary to take care of election expenses this year.

Article 30. \$2,150 for town officers. This amount is necessary to take care of this item.

SACRED HEART REUNION

A delightful entertainment has been planned by the committee on entertainment of the Sacred Heart parish union to take place on Monday evening, March 3, at Bates Opera House.

Abell's orchestra will play concert selections and furnish the music for dancing after the entertainment. Additional features of the evening will be numbers by Miss Elizabeth Donovan, soprano; Miss Anna Garrity and Miss Catherine Gloster, dancers; and Miss Marian Husbands, reader.
John Ahearn is general chairman and has surrounded himself with the following very efficient committee: Will Wall, L. Corrida, C. O'Connor, R. Riley, D. Clancy, T. McCarthy, George Walsh, Thomas Connelly, Edward Maloney, Thomas Hays, James Riley, J. McCormick, John Shea, John Hart, Joseph De Cora, Edmund White, Joseph Brown, Frank Branley, Thomas Dalton, Louis Garrity.

SUNDAY MOVIES

In view of the action taken by the Selectmen in granting license to local theatre managers to conduct a Sunday vaudeville, eleven churches were opposed to the measure. The Selectmen granted the license contrary to the desires of a majority of the town citizens.

To favor the Sunday vaudeville is to lower the prestige of the town and break down the religious aspect. From the incorporation of the town to the present day the church has been a great institution, never failing in its purpose to develop a fine moral standard in the community. Is the vaudeville conducive to the educational or to the sensational element of the community? The town is working for the interest of individuals rather than for the interest of its institutions. The theatre managers are commercializing the Sabbath and are thereby taking advantage of the action by the Selectmen.

The Lord's Day should be maintained as a civil rest day, and a day for religious uses.

UNION MEN'S CLUB SUPPER

The Men's Club of the Union church of Weymouth and Braintree held their regular monthly supper on Wednesday, Feb. 20, in the church dining room. A specially fine roast beef supper was served under the direction of Harry South and was enjoyed by all. Forty-five members and their friends were served which was a very good showing, considering the very bad traveling, and stormy weather.

After the supper a business meeting was held, and various matters of importance were brought before the meeting for discussion.

The announcement was made of the coming entertainment by the men's club for which the Shubert Male Quartette has been engaged.

W. J. Cogswell of Braintree Point spoke upon the plan of requesting an appropriation of \$2,500 for the development of the Braintree playgrounds. If this work is carried out, it means organized and supervised playground work through all sections of Braintree. It has been said by noted educators that this is one of the most important movements that can be accomplished in the United States. He also told of incidents that have happened in kindergartens and Jaffrey, N. H., in connection with their playground work. If this movement can be started this year, it would be a good plan to have the playgrounds in use throughout the year, instead of just the two months that is often allotted to this work.

Ted Lydell, the rag picture man and vaudeville performer, gave a rag picture talk, similar to a chalk talk, with some startling results. He took scraps of rags of all sizes, colors, and shapes and just placed them upon a background of cloth within a frame, and a very pleasing and sometimes humorous picture was shown.

The first picture was called "Way Down East" and showed a typical country scene at night by moonlight in the winter time, a rather cold subject. A warmer subject was the "Stern and Rockbound Coast" with a lighthouse, boats on the horizon, and gulls circling overhead. A typical American Indian was then exhibited and an extremely fine portrait of Abraham Lincoln. While the pictures were being made up Mr. Lydell carried on a lively conversation with himself, with the club, and with "Chet" Howe, who was endeavoring to live up to the pictures with music (?). The last picture was entitled "Rock of Ages" and "Chet" Howe played the song while the men all sang the words.
The club had as its guest, Mr. Wing, of Atlanta, Georgia, who told a few humorous stories. He also gave the men a few tips on memory training which was enjoyed by all.
The whole meeting was such a jolly good get-together that all went home feeling that the evening was well spent.

UNION CHURCH MOTHERS' CLUB

The Mothers club of Union church held their regular monthly meeting on Wednesday evening, Feb. 27, in the church dining room. Mrs. Philip R. Cook presided. After the short business meeting Mrs. Kate Pierce Thayer gave a highly entertaining talk on "Old Colonial Furniture and Antiques" A most interesting exhibition of different types of furniture, glassware, candlesticks, Indian shawls, vases, and several old cameos. Several old books were in the collection, one an old English Bible, dated 1631, another a Greek testament dated 1717. Some of the shawls were packed in an old brass studded English suitcase. Mrs. Justice showed a small hand-made wooden case, which her father had carved out of a solid block of wood, and fitted a sliding wooden cover to it. He always kept, and she still keeps in it, the first sea captain's license he ever took out and it is an antique that is always a treasure to keep.

Forty-five members and their friends enjoyed the exhibition and entertainment. Refreshments of sandwiches, cakes and coffee were served and a social hour then followed.
Plans were made for a supper for the members and their husbands some time in April.

GRAND SNOW BALL

One hundred and thirty guests attended the "Grand Snow Ball" given by the Bainbridges, Frenches, Keenes, and Rands of Hingham on their Mt. Blue woodlots on Washington's Birthday. The ladies' snowshoe race, run in several heats, was particularly exciting and amusing. Adventurous to-boggan and ski rides behind a somewhat apprehensive horse afforded much merriment. The game appeared to be quite as new to most of the riders as it was to the horse. It is said that the affair promises to become an annual event.

Appropriation Committee Make Their Report

(Continued from page nine)

Article 31. \$10,167.75 for Tufts Library and its branches. This amount in addition to the funds to which the library is entitled seems sufficient to care for the library.

Article 32. \$1000 for reading room at Fogg Library. This is an increase of \$250 over the usual appropriation, but we think it is warranted.

Article 33. \$1500 for reading room in East Weymouth under the supervision of the trustees of Tufts Library.

SHALL POLICE BE PENSIONED?
Editor Gazette-Transcript:

I would like to bring before the voters of Weymouth through your valuable paper the question which is to be presented on the ballot, "Shall a pension be granted to the police officers?"

With due respect to our policemen and the work which they do I want to ask as a taxpayer, can we, as property owners and from whom the revenue for the town is desired, take on an extra burden of helping give these men a living after a certain age when during the time they have held their positions their salary has been on an equal with the average wage earner.

We are all glad to give to charity and to those who deserve it, but the rest of us must still work on and while doing so lay something away for a "rainy day" and why not let them do the same?

BRAINTREE POINT

The Washington's Birthday dancing party, held at the Braintree Point Welfare club in the form of a poverty ball, was one of the best dances of the season. Seventy couples attended and danced to the music of De Neil's orchestra. The first prizes went to the two children of Mr. and Mrs. Jules Du Bois and the second prizes went to Miss Irwin and Lance Lowell. Refreshments were served at 10 o'clock after which the dancing resumed and continued almost till 12 o'clock.

On Monday evening the regular weekly supper and meeting of the entertainment committee of the Braintree Point Welfare club was held and plans were discussed relative to holding a field day on June 28. If the plans of the entertainment committee materialize this field day will be the most novel proposition of its kind ever attempted in recent years by any organization. The committee purposely set this date far enough in advance to have ample time and opportunity to make this a big success. The nature of which will not be given out at this time. Their friends are assured of a pleasant surprise when the time comes.

On Wednesday, Feb. 27, the regular meeting of the Braintree Point Welfare club was held in the club rooms.

John T. Melville, athletic instructor of the Quincy Y. M. C. A., spoke for 15 minutes on the subject, "Playgrounds and Recreation a Community Necessity". The regular order of business was then placed before the committee and acted upon. A luncheon was served by members of the entertainment committee. Don't forget the dancing party on March 17. It is going to be one of our big events.

WOMEN'S CLUB

The Braintree Point Women's club will send their representatives to the meeting of the Massachusetts Federation of Women's clubs, of which this club is a member. This meeting is to be held in the Columbus avenue Methodist Episcopal church, Boston, Friday, Feb. 29.

The next meeting of the Braintree Point Women's club will be held on Tuesday, March 4, at 8 in the evening in the club rooms. A collation will be served.

GEM THEATRE

The wonderful picture everyone has been waiting for, "Scaramouche" will be at the Gem theatre Sunday and Monday, March 2 and 3.

Ramon Novarro, the great lover of the screen as Andre-Louis Moreau, Alice Terry, whose rare beauty and charm reach their greatest heights as Aline and Lewis Stone as the gay, cruel and witty Marquis de la Tour d'Azyr, and 10,000 others make this the most exciting and thrilling picture of the season. A metro picture, directed by Rex Ingram.

Your cup of life is not full until you see "Scaramouche". If you have never attended the pictures at the Gem. You have a treat in store for yourself. Once you go you will be a regular patron.

SHUBERT THEATRE

The attraction beginning Monday, March 3, Shubert theatre, Boston, will be William A. Brady's glorious musical success, "Up She Goes", which moves there for one week, which will end its run in Boston. This is the piece that has been playing to capacity since its arrival in Boston eight weeks ago. It has proved to be the most popular musical comedy in the Hub this season.

"Up She Goes" has all the essentials of success; it was written by three men who not only know what they are doing but who are able to do that thing well. Frank Craven, author of "The First Year", wrote the book, which is enhanced by an amusing plot, philosophical and satirical even though it be; Joseph McCarthy, supplied the lyrics, and Harry Tierney the music. Those last two men are better known as having performed the same pleasant task for "Irene". They have done as well now as then.

This cast is excellent. It is headed by adorable Nancy Welford (who was last seen in Boston as the star of Edward Royce's "Orange Blossoms"), and Richard (Sweets) Gallagher, who is even more amusing than he was on his previous Boston appearance as the cameraman in "Up in the Clouds".

WILBUR THEATRE

When the Messrs. Shubert present Richard Bennett at Wilbur theatre, Boston, beginning March 3, (for two weeks only) in Gerald du Maurier's great London success, "The Dancers", which comes direct from its long run in New York, local theatre-goers will be treated to one of the most successful dramatic productions of recent years. Boston is the second city which will benefit by Mr. Bennett's plan to present "The Dancers" in the larger cities of the country before the close of the current season. "The Dancers" comes here from a limited engagement in Philadelphia and will probably go from Boston to Chicago. In London, where "The Dancers" is now running after months of capacity business, it is considered the outstanding triumph of Mr. du Maurier's prolific career as a dramatist.

Everyone of us nowadays, except those over sixty—and even some of them—are "dancers". Jazz has gripped America and England and the tireless feet of millions are tapping nightly to its strains. There are two types of dancers in this play—the jazz girl of position and advantages and the little cabaret girl who danced because she knew no other way to live.

PLYMOUTH THEATRE

The first of the Warner clan of actors was Charles Warner. Old timers remember him as the wonderfully effective actor in the highly sensational and successful play, "Drink", in which he appeared over 5000 times. It was presented in the United States and Canada about 15 or 20 years ago.

The son of this noted thespian is H. B. Warner, Henry Byron Warner, to give him his full title, the present star of Philip Barry's comedy, "You and I", opening at the Plymouth theatre, Boston, March 3.

His Alpha and Omega of stage career is measured by "The Streets of London", in which he played in London in 1893, when a mere kid, and his present vehicle.

Mr. Warner began his career with his father after vainly imploring him to be permitted to study surgery.

His success was immediate and has been continuous, not only on the speaking stage but in the silent drama as well. Among his American successes have been "Nurse Marjorie", "Merely Mary Ann", "Alias Jimmy Valentine", "The Ghost Breaker", "Out There", "Sleeping Partners", "Danger", "Bull Dog Drummond", and his present peerless role as Maitland White in "You and I".

MAJESTIC THEATRE

D. W. Griffith's "America", the photo-dramatic of the War of Independence made as a contribution to the sesquicentennial celebration of this country's struggles for freedom for the Daughters of the American Revolution will have its Boston premiere at the Majestic theatre, Wednesday evening, March 5.

Made through the co-operation of the leading historical and patriotic organizations of the country, the United States War Department, and prominent historians, with scenes laid at Lexington, Concord, Bunker Hill, and in Boston in the stirring days of 1775, "America", has been hailed by New York critics as the greatest patriotic film ever made.

The ride of Paul Revere is one of the big thrills, with the battles of Lexington, Concord Bridge, and Bunker Hill, refought by United States regulars, garbed as British grenadiers and as Minutemen not far behind.

LYNCH-AMABILE

There was a pretty wedding at the Church of the Immaculate Conception Wednesday, February 27, at 4 o'clock when Miss Clara, daughter of Joseph Amabile of 10 Carroll street, became the bride of Michael Joseph Lynch, son of Mr. and Mrs. John Lynch of 106 Shawmut street, the ceremony being performed by Rev. Fr. Cornelius I. Riordan, the double ring service being used.

The bride was attended by her sister, Miss Frances Amabile, and Daniel F. Lynch, brother of groom, was best man.

The bride was gowned in white canton crepe, wore a veil fastened with orange blossoms, and carried a shower bouquet of bride roses. The bridesmaid wore a gown of Alice blue taffeta, with hat to match and carried pink roses.

After a wedding lunch at the home of her father, an informal reception was held to relatives and friends after which the happy couple left for a wedding trip, the bride wearing a gown of blue crepe with brown carriage wrap trimmed with fur and a peach colored hat.

On their return they will reside at 23 off Lake street, East Weymouth.

Miss Amabile has had charge of a department at the John Coffin Co., and Mr. Lynch is a manager of a chain store. They have a host of friends who wish them happiness in their new life and who remembered them very generously in gifts of money, silver, pictures, electric lamps, china dinner set, lace curtains and many other gifts.

STATE FEDERATION NOTES

Mrs. Paul A. Peters, chairman
Friendly Cooperation with ex-Service
Men has thanked the clubs for so
generously responding to her call for
funds, with which was provided some
Christmas cheer to every Massachu-
setts boy in a hospital in the United
States, and also helped some ex-
service men outside.

Just now the need is for knitted
socks and skull caps for the hospitals
also for squares of old linen the size
of a man's handkerchief. Mrs. Peters
address is 128 Bellevue avenue, West
Roxbury.

—Display space used with a proper
illustration has both an attention com-
pelling force and a selling angle that
is possible in no other form of copy.
The person who questions the selling
value of display space is hardly worth
wasting time with. They are driving
a one-horse shay, eating bulk oatmeal,
bathing when the water gets warm
in the creek, and depending upon the
pony express to give them rapid
transportation.—Exchange.

SOUTH SHORE NEWS BUDGET

—An all-day session of the Plymouth
County Association, Sons of Veterans,
it being the quarterly convention.
Division Commander Eugene F. At-
wood of Duxbury, and John Scates of
Hanson, the commander of the County
G. A. R., were guests and speakers.
Mrs. Grace Howland of Rockland pre-
sided at the Auxiliary meeting in the
morning. Indoor sports were enjoyed
in the afternoon. Among the towns
represented were Plymouth, Pembroke,
Duxbury, Abington, Rockland and
Whitman.

—The annual fancy dress ball of
Konohasset lodge, A. F. and A. M.,
of Cohasset, which for the last 16
years has been the big social event
of the South Shore, was held on the
night of holiday in the town hall at
Cohasset and, as usual, attracted a
large gathering of Masons and their
lady friends from all the South
Shore towns.

—Over 450 attended the cabaret,
whist and dancing party of the Amer-
ican Legion in the Municipal Building
at Hull on the evening of the holiday.
Miss Helen Samouski gave a dancing
exhibition and there were solos by
James Burke.

—The Scituate Woman's club held
their annual masquerade ball on the
night of Washington's Birthday which
was largely attended, many being pre-
sented from neighboring towns. Prizes
were awarded to Lois Wilson as col-
onial girl, and Harry Mounce as George
Washington, for fancy costumes and
to Mr. and Mrs. Waldo Litchfield as
Mr. and Mrs. Rube for comic costumes.

S. OF V. AUXILIARY

Auxiliary 31, S. of V. held its regu-
lar meeting Feb. 25 and made plans
to celebrate its 28th anniversary on
March 24. Mrs. Annie Batchelder is
chairman of committee.

Mrs. Higgins, Mrs. Abbot, Mrs. Bat-
chelder, Mrs. Cowing, and Mrs. Lind-
sey represented Auxiliary 31 at the
district meeting of the S. of V. held
with Camp 50 and its auxiliary at
Rockland, Feb. 19.

W. R. C. NOTES

A class of candidates was initiated
at the regular meeting held in G. A.
R. hall Feb. 28.

Corps 102 extend sympathy to the
families of Mrs. Margaret C. Culley
and Mrs. Sarah Abbie Maynard, both
honored members of Corps 102.

Corps member Mrs. Sadie Schlimper

in four years, "We greet you Sadie."
All National aides are requested to
send in their reports to National sen-
ior aide, Sylvia G. Mork, Wisconsin,
as soon as possible.

NEW ROTARY CLUB

Weymouth is to have a Rotary club,
a preliminary meeting having been
held last week in the Weymouth
Savings Bank building. In Quincy
and Braintree the Rotary is very popu-
lar.

The Rotary movement was started
in Chicago, Feb. 23, 1905, by Paul
Harris and three other men. In the
19 years of its existence it has had
a phenomenal growth. To the 11th of
February, 1924, the record stood at
1627 clubs, with a total estimated
membership of 98,700 in all parts of
the world.

ADVERTISE

Few merchants really have the
proper appreciation of what adver-
tising means to them. A writer in
an exchange aptly puts it in this
way:

If a man spoke to his wife only
once a month or every two months,
she wouldn't even recognize his
voice, says an exchange. Yet some
business men advertise once a
month or every two months and then
wonder why they don't get more busi-
ness. Advertise every week. Re-
member "The used key is always
bright". The store that tells the
public what it is doing every day
is the store that gets there in the
end.—New Bethlehem (Pa.) Leader.
